

NOTICE OF PROPOSED CHANGES TO
ADOPT COMPUTER SCIENCE STANDARDS IN THE REGULATIONS OF
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed amendments would adopt computer science standards and publish them as the *Alaska Computer Science Standards*.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code by adding computer science standards for Alaska students under 4 AAC 04.140(a).

The standards identify student abilities that evidence mastery of a subject area. Adopting *Alaska Computer Science Standards* would not require the establishment of a computer science program in schools, but would provide a framework for school districts with existing programs and for those that choose to develop programs.
