(8) **pricing and marketing** [HAPPY HOUR] laws;

3 AAC 304.465(e) is amended to read:

(e) Rural premises are those licensed premises not on a statewide road system or further than 50 miles on a road system from a community where a course is **held** [OFFERED] at least once every month. For the purpose of training for rural premises, course providers may provide video or audiotapes and written materials to a licensee that cover all topics required under (c) of this section, and conduct telephonic question and answer sessions for the students. A course provider may present training for rural premises by means of an Internet-based program. An Internet-based program must include steps that the course provider takes to verify the identity of the persons receiving the instruction, testing, and certification of alcohol server training. The verification process must be approved by the board and may be reviewed and reevaluated on an annual basis to determine its validity and effectiveness. The students shall, under the supervision of the licensee or licensee's manager, take the test required under (d) of this section. The licensee or licensee's manager, whoever supervises the test, shall certify to the course provider that the student did not receive outside help in taking the test and that no copies of the test have been kept.

3 AAC 304.465(j) is repealed:

(j) Repealed __/__/____.

3 AAC 304.465 is amended by adding a new subsection to read:

(l) The fee for a new server education course is \$800 and the fee for review of an existing server education course is \$250.

3 AAC 304.465 is amended by adding a new subsection to read:

(m) When applying for reapproval of a server education course, a course provider shall submit a list of individuals, identified only by United States postal zip code, who have been issued a server education card.

3 AAC 304.465 is amended by adding a new subsection to read:

(n) For the purposes of this section, “zip code” is defined as the five digit code, followed by a hyphen and four digits the United States Postal Service uses to reference a specific location.
