

STATE OF ALASKA ITB NUMBER 2520N001

AMENDMENT NUMBER 1

Department of Transportation &
Public Facilities
2301 Peger Road
Fairbanks, AK 99709

THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: July 11, 2019

ITB TITLE: Dust Palliative Application – Multiple Locations – State and Federally Funded

ITB OPENING DATE AND TIME: July 23rd, 2019 at 10:00 AM

This amendment is for informational purposes only and need not be returned to the State.

1. Delete Section 2.3 and replace with the following:

2.3 The minimum rate of application shall be applied as listed below in **7.0 Locations** or as directed by the Engineer. The contractor shall apply dust palliative in a minimum of two separate applications to avoid runoff due to over saturation.

2. Delete Section 3.1 and replace with the following:

3.1 Dust Palliative: The Department has awarded multiple contracts for palliative, the name of the product is listed below in **7.0 Locations**. The Contractor shall not order any dust palliative. Dust palliative may be located at the local Barge Landing in connexes or on the Apron. See **7.0 Locations** below for where the palliative is located in the respective communities. It is the Contractors responsibility to move the palliative from the barge landing to a location on airport property if required.

3. Delete section 7.0 and replace with the following:
