

Department of Health and Social Services  
Finance and Management Services  
Grants and Contracts Support Team  
333 Willoughby Ave., Room 760  
Juneau, Alaska 99801

**RFP #190000105**  
**Health System Collaboration Support**

**Amendment #1**

**Issue Date:** July 26, 2019

**Issued By:** Katy Hogan, Procurement Specialist     [katy.hogan@alaska.gov](mailto:katy.hogan@alaska.gov)     907.465.1625

**Important Note to Offerors:** This amendment serves to alert offerors of the extended IRFP submission deadline, and to provide responses to questions submitted by interested parties.

Only the following items referenced in this amendment are to be changed. All other sections of the IRFP remain the same. A copy of the amendment is available on the State of Alaska Online Public Notice Site.

**Revised IRFP Submission Deadline**

Proposals must be received by **2:00PM Alaska Time on Tuesday July 30, 2019 Thursday August 1, 2019.**

**Responses to Vendor Questions**

#	Question	State of Alaska Response
1	Can the State confirm the location and frequency of the HSC 1815 Team meetings?	HSC 1815 Team meetings will be held at the CDPHP Anchorage offices (3601 C Street, Suite 724, Anchorage AK 99503) though they may also be attended remotely. The anticipated meeting schedule is every other week.
2	Could this evaluation support continue for the grant duration?	The State cannot make a determination at this time.

<b>3</b>	If evaluation support continues for the grant duration, is there flexibility to move some of the work deliverables listed in Deliverable 3 (d) to the next grant year?	The State cannot make a determination at this time.
<b>4</b>	Will the State share the EPMP with potential bidders?	The drafted EPMP cannot be shared with bidders at this time.
<b>5</b>	Is the resultant contract awardee expected to complete all work items listed under Deliverable 3 (d) i-vi?	The awarded vendor will be expected to complete some or all of the work items listed in Deliverable 3 (d) i-vi, though the specific items are dependent upon the resultant approved EPMP and additional guidance from the CDC.
