Hello,

The Department of Environmental Conservation, Village Safe Water Program is issuing a rejection of all proposals for the Trapper Creek Request for Proposals (RFP), 20-VSW-TRC-001, Design & Construction Management Services.

Per AS 36.30.350, 2 AAC 12.860 and 2 ACC 12.870, the proposals are being rejected for the following reasons:

- (2) The bid or proposal is non-responsive;
- (4) Prices exceed available money and it would not be appropriate to adjust quantities to accommodate available money;
- (5) All otherwise acceptable bids or proposals received are at unacceptable prices.

This is notice of the State's cancellation of the solicitation identified above. An offeror who wishes to protest this cancellation must file the protest within ten calendar days following the date this notice is issued. If the tenth day falls on a weekend or holiday, the last day of the protest period is the first working day following the tenth day.

Sincerely,

A handwritten signature in blue ink, appearing to read "Fred Parrish".
