3 AAC 306.525 is amended to read:

3 AAC 306.525. Approval of concentrates and marijuana products. (a) A marijuana product manufacturing facility, including a marijuana concentrate manufacturing facility, must obtain the board's approval for each product it will manufacture for sale or transfer to another licensed marijuana establishment. The board will not approve a product that is prohibited under 3 AAC 306.510(a)(4).

(b) An applicant for a marijuana product manufacturing facility license may request the board's approval of its intended products with a new license application by including, in its operating plan

(1) a photograph, drawing, or graphic representation of the expected appearance of each final product; [and]

(2) the proposed standard production procedure and detailed manufacturing process for each product;[.]

(3) a product description, including the color, shape, texture, and ingredients;

(4) serving sizes proposed for each product;

(5) the packaging to be used for each product; and

(6) a sample label for each product showing how the labeling information required in 3 AAC 306.570 will be set out.

(c) A licensed marijuana product manufacturing facility may at any time submit a new product approval request to the board on a form the board prescribes along with the fee required under 3 AAC 306.100(c).

(d) A licensed marijuana product manufacturing facility shall keep its ingredient list and potency limits for any food product containing marijuana on file at the marijuana product manufacturing facility's licensed premises. The ingredient list and potency limits for any product manufactured at the facility must be made available for inspection on request by the director, or an employee or agent of the board.

(e) Each product shall

(1) be assigned a product number by the board;

(2) contain the product name on the consumer label; the product name may include the marijuana strain name or a flavor name;

(3) be identified in the marijuana inventory tracking system by the product name.

(f) Except as follows, any deviation in ingredients or manufacturing process is indicative of a different product. The board may approve variations of secondary

ingredients such as flavorings or optional additives. (Eff. 2/21/2016, Register 217; am
