

DISLCOSURE OF PENDING APPLICATIONS

Each applicant is required to disclose whether it has (or is proposed as a subrecipient under) any pending applications for federally funded grants or cooperative agreements that (1) include requests for funding to support the same project being proposed in the application under this solicitation, and (2) would cover identical cost items outlined in the budget submitted to the Department of Public Safety (DPS) as part of the application under this solicitation. The applicant is required to disclose applications made directly to federal awarding agencies, and also applications for subawards of federal funds (e.g., applications to state agencies that will subaward (subgrant) federal funds).

DPS seeks this information to help avoid any inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Each applicant that has one or more pending applications as described above is to complete page 2 of this attachment.

Any applicant that does not have any pending applications as described above, must certify by signing below:

I certify that, _____
