Re: Department of Education and Early

Science, Digital Literacy, and
Content and Performance Standards

The Department of Law has reviewed the attached regulations of the Department of Education and Early Development against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations concern updated standards, adopted by reference, for Alaska students for science, computer science, digital literacy, and content and performance standards.

The Department of Education and Early Development noticed the regulation changes as three separate projects, but adopted one set of regulations to incorporate the changes. The department published public notice on April 14, 2019, notifying the public of the proposed updated standards. Although the department published three separate notices, the regulation changes are all incorporated into one adoption order. The certification of adoption states that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.

THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed amendments would adopt digital literacy standards and publish them as the *Alaska Digital Literacy Standards*.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code by adding digital literacy standards for Alaska students under 4 AAC 04.140(a). NOTICE OF PROPOSED CHANGES TO
SCIENCE STANDARDS IN THE REGULATIONS OF
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed amendments would update the science standards adopted by reference in 4 AAC 04.140(a).

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code dealing with science standards for Alaska students. The standards identify student abilities that evidence mastery of a subject area. The proposed changes in 4 AAC 04.140(a) will remove the science standards from *Alaska Standards: Content and Performance Standards for Alaska Students* and publish the new science standards separately as *Science Standards for Alaska*.

The Department of Education and Early Development invites the public to submit written comments during the written comment period, which begins with the date of this notice and ends on May 14, 2019, at 4:30 p.m. The written comment period closes in advance of the meeting of the State Board of Education and Early Development at which the board will consider the adoption of the proposed regulations. This allows the Department of Education and Early Development an opportunity to prepare changes based on written comment and to distribute any proposed changes to the board for its consideration prior to the meeting.

You may comment in writing on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments to the Commissioner's Office, Department of Education and Early Development, Attn: Regulations Review, 801 West Tenth Street, Suite 200, PO Box 110500, Juneau, Alaska 99811-0500.

You also may submit written comments by facsimile at (907) 465-4156; by electronic mail to [Linda Mattson](mailto:Linda.Mattson@ed.k12.ak.us); and online at the website of the Department of Education and Early Development at <https://education.alaska.gov/regs/comment.cfm>. Written comments also may be submitted through the Alaska Online Public Notice System by accessing this notice on the system and using the comment link.

To comment on an individual standard included in the proposed Science Standards for Alaska, please use the following link: <https://www.surveymonkey.com/r/XTGHFMH>. The link will take you to a survey where you will have the opportunity to look at each standard and make specific comments. Within the survey, standards are grouped by grade for easy navigation. You may comment on as many standards as you wish. Your responses will only be recorded when you click "Next" at the bottom of the page or proceed to the end of the survey and click "Done." Directions for completing the survey are included when you open the link.

All written comments must be received not later than 4:30 p.m. on May 14, 2019.

After the written comment period has ended, you may submit oral comments to the State Board of Education and Early Development at a hearing to be held by the board on June 7, 2019, by audio-conference or in person at the Anchorage School District Board Room, at East Northern Lights Boulevard, Anchorage, Alaska 99504. The hearing will be held from

9:10 a.m. to 11:10 a.m. but may be extended to accommodate those present before 9:00 a.m. who have not had an opportunity to comment before 11:10 a.m.

If a question is relevant to the proposed change in the regulations and the question is received by May 4, 2019, which is ten days before the end of the public comment period, the department will make a good faith effort to answer the question before the end of the public comment period. The Department of Education and Early Development will aggregate its response to substantially similar questions and make the questions and responses available on the Alaska Online Public Notice System and on the website of the Department of Education and Early Development at <https://education.alaska.gov/regs/comment.cfm>.
