THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: December 19, 2019

ITB TITLE: Contract for the purchase of correction grade inmate mattresses, replacement mattress covers, and pillows.

ITB OPENING DATE AND TIME: December 26, 2019, Thursday at 2:01 PM Alaska Standard Time. NO CHANGE

ITB Documents, Clarifications and Questions:

1. Are you able to send the prior bid tabulation or previous price paid?

DOC RESPONSE: Per your request, attached is the current price list for our mattress contract.

2. Will this be one large order? Or split into multiple orders?

DOC RESPONSE: As outlined in the ITB, these items will be ordered on an as-needed basis per facility.

3. For testing requirements, specifically ASTM D3389-16, our products certainly meet those specifications, but have not been tested for these specifications, and testing could not be performed prior to close of bid. Would we still be able to bid those products?

DOC RESPONSE: Regarding the testing requirements, can you tell me which standards your covers currently meet, and approximately how long it would take to get the testing performed to meet ASTM D3389-16?

4. Would you consider a product that far exceeds the specs that would last 4-5x longer than what is specified, thus saving you money long term by replacing less, if I can provide testing and references that verify these statements?

DOC RESPONSE: Consideration will be given to all bidders that provide products that meet or exceed the minimum requirements outlined in the ITB, and award will be made to the lowest responsive and responsible bidder. It's possible that if the bid was awarded and a product that far exceeds our specifications was available, a test-run for quality and endurance could be performed and may be added to the contract via an amendment.

5. What company was the successful bidder last time:

DOC RESPONSE: Miller's Government Supplies.

6. Were any mattresses purchased off contract?

DOC RESPONSE: Yes.

7. The quantities listed on the bid, will we deliver this many to each location in one shipment?

DOC RESPONSE: They will be ordered on an as-needed basis.

STATE OF ALASKA ITB NUMBER: 2020-2000-4451**AMENDMENT NUMBER: One (1)**

8. How many did each location order at a time over the last year?
