1. Reports

1. Chair's report: Steve Harrison reported that The Susitna AC's proposal (146) failed this last spring and was hoping for some insight into that from ADF&G personnel.
2. ADF&G. Tim Spoke about the 16b moose politics and why our proposal didn't pass. Tim also predicted a possible change in spruce grouse bag/ season due to the decline of white spruce/ beetle kill. Sam Ivey spoke at length about salmon issues encountered as part of this last summer's hot and dry conditions.

c. Andy couch reached out to our AC about collaboration. He offered some handouts.

1. We agreed that we need to meet in December (before the next board cycle) to weigh-in on several area specific proposals.

1. We set the date for the next meeting (tentatively) at December 18th, at 6:00 at the Latitude 62.

1. **motion to adjourn from Bryan Kirby. Second by Mike Wood.** Adjourn
