**800-315-6338, passcode 23872#**

The Enhanced Services for Victims of Crime RFP allowed applicants to apply for one of three service-type categories: Legal Assistance Services (Category 1); Mental Health Services for Children and Youth (Category 2); and Child Advocacy Center Services (Category 3). There will be two Proposal Evaluation Committees reviewing these three categories. Listed below are the dates, times, PEC members and the general order for when each proposal will be reviewed. Please remember these schedules are only estimates and may change due to decisions made by the PEC once they begin their review. PECs are open meetings and may be joined via teleconference at the telephone number above.

PECs will begin at 9:00 a.m. each day and end at approximately 4:30. How long the deliberations take, will determine the actual timing of the daily schedule. We do not anticipate that either PEC will require 2-full days.
