### SEC. 1.02 BUDGET

The Department of Health and Social Services, Division of Public Health, estimates a budget of **\$72,135.00** dollars for completion of this project.

Payment for the contract is subject to funds already appropriated and identified.

### SEC. 1.03 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than 12PM prevailing Alaska Time on Tuesday, January 28, 2020. Faxed or emailed proposals are acceptable but not encouraged. Oral proposals are not acceptable.

Late proposals or amendments will be disqualified and not opened or accepted for evaluation.

### SEC. 1.04 PRIOR EXPERIENCE

In order for offers to be considered responsive, offerors must meet and provide evidence of these minimum prior experience requirements:

**Applicant must have at least three years of full-time, or equivalent part-time physician or professional registered nursing experience in obstetrics, antenatal or postpartum care.**

An offeror's failure to meet these minimum prior experience requirements may cause their proposal to be considered non-responsive and their proposal may be rejected.

### SEC. 1.05 REQUIRED REVIEW

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and objectionable material must be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective solicitation and exposure of offeror's proposals upon which award could not be made. Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the procurement officer, in writing, at least ten days before the deadline for receipt of proposals.

### SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will make that decision.

## SECTION 2. BACKGROUND INFORMATION

### SEC. 2.01 BACKGROUND INFORMATION

An alarming increase in the U.S. pregnancy-related mortality rate over the past 30 years has led to greater national attention and enhanced local efforts to better understand and address the causes of these deaths. *Pregnancy-related* mortality refers to the death of a woman while pregnant or within 1 year of pregnancy termination from causes directly related to or aggravated by the pregnancy or its management. *Pregnancy-associated* mortality is a larger category of deaths of women while pregnant or within 1 year of pregnancy termination due to any cause, including accidental or incidental causes. Pregnancy-associated deaths represent sentinel events that often underscore socioeconomic and medical access disparities in communities and underlying social behavioral issues such as alcohol and drug abuse, domestic violence, untreated mental health disorders, and other health care disparities.

Maternal mortality review committees made up of a diverse group of experts provide a systematic and comprehensive approach to assessing all maternal deaths and identify opportunities for prevention. The Alaska Maternal Child Death Review (MCDR) Committee reviews all pregnancy-associated deaths in Alaska and determines which are pregnancy-related, identifies cause(s), contributing factors, and preventability. Through efficient and comprehensive death review, the MCDR committee endeavors to use these data to develop substantive public health recommendations that influence legislation, policy, and practice changes that result in reduced mortality.

Over a recent 10 year period (2008–2017), MCDR identified 91 pregnancy-associated deaths to Alaska residents (80.8 per 100,000 live births), ranging from 5–12 deaths per year. The Committee classified 16 deaths during this time period as pregnancy-related, corresponding to a mortality rate of 14.2 per 100,000 live births. The number of pregnancy-related deaths per year ranged from 0–4 deaths during this same 10 year time period.

In July 2019, the Section of Women's, Children's, and Family Health was awarded funding to support the Alaska Maternal Child Death Review's maternal mortality component through the CDC's ERASE Maternal Mortality initiative. The overall goals of the grant include:

- 1) Improved ascertainment of all pregnancy-associated deaths
- 2) Standardized clinical and non-clinical data abstracted into the MMRIA data system
- 3) Improved data quality and timeliness using quality assurance processes
- 4) Increased analysis and dissemination of data to inform practice and policy changes and maternal mortality prevented.

To accomplish the goals of this grant, the MCDR program is required to utilize the CDC's Maternal Mortality Review Information Application (MMRIA) to organize available data and comprehensively identify and assess maternal deaths in Alaska. MCDR does not currently utilize MMRIA, although efforts are underway to obtain

access to this centralized CDC-hosted system, and we expect to receive access in mid-December 2019. The MMRIA data system provides:

- A repository for the collection of clinical and non-clinical information surrounding a woman’s life and death.
- Documentation of committee deliberations on 1) whether the death was related to pregnancy; 2) if it could have been prevented; 3) factors that contributed to the death; and 4) recommendations to prevent future deaths.
- Standardized indicators, common to most pregnancy-related deaths that can be used for surveillance, monitoring, and examining maternal mortality.

Due to the extensive time needed to conduct thorough case abstractions to find and gather all of the information into MMRIA and the clinical expertise required to review medical records and identify pertinent information, WCFH is seeking a Medical Case Abstractor to assist the MCDR program with this component of the grant activities.

Additional information about maternal mortality reviews can be found at [ReviewToAction.org](http://ReviewToAction.org). Past MCDR reports on maternal mortality in Alaska can be found on the MCDR [Reports and Fact sheets](#) page.

The successful offeror must provide proof of workers' compensation insurance prior to contract approval.

The successful offeror must secure the insurance coverage required by the state. The coverage must be satisfactory to the Department of Administration Division of Risk Management. An offeror's failure to provide evidence of such insurance coverage is a material breach and grounds for withdrawal of the award or termination of the contract.

Offerors must review form Appendix B, attached, for details on required coverage. No alteration of these requirements will be permitted without prior written approval from the Department of Administration, Division of Risk Management. Objections to any of the requirements in Appx B must be set out in the offeror's proposal.

### **SEC. 3.17 TERMINATION FOR DEFAULT**

This clause does not restrict the state's termination rights under the contract provisions of Appendix A, attached in **SECTION 8. ATTACHMENTS**.

## SECTION 6. GENERAL PROCESS INFORMATION

### SEC. 6.01 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the project director. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

### SEC. 6.02 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806**, for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- copy of an Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;

### SEC. 6.03 SITE INSPECTION

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable

access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

## SEC. 6.04 CLARIFICATION OF OFFERS

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

## SEC. 6.05 DISCUSSIONS WITH OFFERORS

The state may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

## SEC. 6.06 EVALUATION OF PROPOSALS

The procurement officer, or an evaluation committee made up of at least three state employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in **SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION.**

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

## SEC. 6.07 CONTRACT NEGOTIATION

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal.

## SEC. 6.08 FAILURE TO NEGOTIATE

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

## SEC. 6.09 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation the procurement officer will issue a written Notice of Intent to Award (NIA) and send copies to all offerors. The NIA will set out the names of all offerors and identify the proposal selected for award.

## SEC. 6.10 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."

## SEC. 6.11 APPLICATION OF PREFERENCES

Certain preferences apply to all contracts for professional services, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the RFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply and provide examples of how to calculate the preferences are available at the **Department of Administration, Division of General Service's** web site:

<http://doa.alaska.gov/dgs/pdf/pref1.pdf>

- Alaska Products Preference - AS 36.30.332
- Recycled Products Preference - AS 36.30.337
- Local Agriculture and Fisheries Products Preference - AS 36.15.050
- Employment Program Preference - AS 36.30.321(b)
- Alaskans with Disabilities Preference - AS 36.30.321(d)
- Alaska Veteran's Preference - AS 36.30.321(f)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.**

## Sec. 6.12 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of 5% will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;

- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50 and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11 and all partners are residents of the state; and
- 5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

**Alaska Bidder Preference Statement**

In order to receive the Alaska Bidder Preference, the proposal must include a statement certifying that the offeror is eligible to receive the Alaska Bidder Preference.

If the offeror is a LLC or partnership as identified in (4) of this subsection, the statement must also identify each member or partner and include a statement certifying that all members or partners are residents of the state.

If the offeror is a joint venture which includes a LLC or partnership as identified in (4) of this subsection, the statement must also identify each member or partner of each LLC or partnership that is included in the joint venture and include a statement certifying that all of those members or partners are residents of the state.

**SEC. 6.13 ALASKA VETERAN PREFERENCE**

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans; or
- D. corporation that is wholly owned by individuals, and a majority of the individuals are Alaska veterans.

**Alaska Veteran Preference Statement**

In order to receive the Alaska Veteran Preference, the proposal must include a statement certifying that the offeror is eligible to receive the Alaska Veteran Preference.

**SEC. 6.14 ALASKA OFFEROR PREFERENCE**

2 AAC 12.260(e) provides Alaska offerors a 10% overall evaluation point preference. Alaska bidders, as defined in AS 36.30.990(2), are eligible for the preference. An Alaska offeror will receive 10 percent of the total available points added to their overall evaluation score as a preference.

**SEC. 6.15 FORMULA USED TO CONVERT COST TO POINTS**

The distribution of points based on cost will be determined as set out in 2 AAC 12.260(c). The lowest cost proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other proposals will be determined using the formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

**SEC. 6.16 EXAMPLES: CONVERTING COST TO POINTS & APPLYING PREFERENCES****(a) FORMULA USED TO CONVERT COST TO POINTS****STEP 1**

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

**STEP 2**

In this example, the RFP allotted 40% of the available 100 points to cost. This means that the lowest cost will receive the maximum number of points.

**Offeror #1 receives 40 points.**

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 40 points.

**Offeror #2 receives 37.4 points.**

$$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = \mathbf{37.4}$$

**Offeror #3 receives 33.7 points.**

$$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$47,500 \text{ cost of Offeror \#3's proposal} = \mathbf{33.7}$$

**(b) ALASKA OFFEROR PREFERENCE****STEP 1**

Determine the number of points available to qualifying offerors under this preference.

$$100 \text{ Total Points Available in RFP} \times 10\% \text{ Alaska offerors preference} = 10 \text{ Points for the Preference}$$

**STEP 2**

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska offerors preference. For the purpose of this example, presume that all of the proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	83 points	No Preference	0 points
Offeror #2	74 points	Alaska Offerors Preference	10 points
Offeror #3	80 points	Alaska Offerors Preference	10 points

**STEP 3**

Add the applicable Alaska offerors preference amounts to the offeror's scores:

Offeror #1	83 points	
Offeror #2	84 points	(74 points + 10 points)
<b>Offeror #3</b>	<b>90 points</b>	<b>(80 points + 10 points)</b>

**STEP 4**

**Offeror #3** is the highest scoring offeror and would get the award, provided their proposal is responsible and responsive.

Offerors should include in their price proposal: transportation, lodging, and per diem costs sufficient to pay for this travel. There is no registration cost for the trainings as they are provided by CDC as part of the Cooperative Agreement with Alaska through the Maternal Mortality Review Committee grant.
- Offerors should also include costs for three (3) training days in Anchorage in year one (1) and 0.5 days for training per year in years two (2) through five (5).

### **General Provisions**

**Article 1. Definitions.**

- 1.1 In this contract and appendices, "Project Director" or "Agency Head" or "Procurement Officer" means the person who signs this contract on behalf of the Requesting Agency and includes a successor or authorized representative.
- 1.2 "State Contracting Agency" means the department for which this contract is to be performed and for which the Commissioner or Authorized Designee acted in signing this contract.

**Article 2. Inspections and Reports.**

- 2.1 The department may inspect, in the manner and at reasonable times it considers appropriate, all the contractor's facilities and activities under this contract.
- 2.2 The contractor shall make progress and other reports in the manner and at the times the department reasonably requires.

**Article 3. Disputes.**

- 3.1 If the contractor has a claim arising in connection with the contract that it cannot resolve with the State by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – 632.

**Article 4. Equal Employment Opportunity.**

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.
- 4.2 The contractor shall state, in all solicitations or advertisements for employees to work on State of Alaska contract jobs, that it is an equal opportunity employer and that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, disability, sex, marital status, changes in marital status, pregnancy or parenthood.
- 4.3 The contractor shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising the labor union or workers' compensation representative of the contractor's commitments under this article and post copies of the notice in conspicuous places available to all employees and applicants for employment.
- 4.4 The contractor shall include the provisions of this article in every contract, and shall require the inclusion of these provisions in every contract entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.
- 4.6 Full cooperation in paragraph 4.5 includes, but is not limited to, being a witness in any proceeding involving questions of unlawful discrimination if that is requested by any official or agency of the State of Alaska; permitting employees of the contractor to be witnesses or complainants in any proceeding involving questions of unlawful discrimination, if that is requested by any official or agency of the State of Alaska; participating in meetings; submitting periodic reports on the equal employment aspects of present and future employment; assisting inspection of the contractor's facilities; and promptly complying with all State directives considered essential by any office or agency of the State of Alaska to insure compliance with all federal and State laws, regulations, and policies pertaining to the prevention of discriminatory employment practices.
- 4.7 Failure to perform under this article constitutes a material breach of contract.

**Article 5. Termination.**

The Project Director, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.

**Article 6.No Assignment or Delegation.**

The contractor may not assign or delegate this contract, or any part of it, or any right to any of the money to be paid under it, except with the written consent of the Project Director and the Agency Head.

**Article 7.No Additional Work or Material.**

No claim for additional services, not specifically provided in this contract, performed or furnished by the contractor, will be allowed, nor may the contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Project Director and approved by the Agency Head.

**Article 8.Independent Contractor.**

The contractor and any agents and employees of the contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

**Article 9.Payment of Taxes.**

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

**Article 10. Ownership of Documents.**

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the contractor. The contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. Nevertheless, if the contractor does mark such documents with a statement suggesting they are trademarked, copyrighted, or otherwise protected against the State's unencumbered use or distribution, the contractor agrees that this paragraph supersedes any such statement and renders it void. The contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. Unless otherwise directed by the Project Director, the contractor may retain copies of all the materials.

**Article 11. Governing Law; Forum Selection**

This contract is governed by the laws of the State of Alaska. To the extent not otherwise governed by Article 3 of this Appendix, any claim concerning this contract shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

**Article 12. Conflicting Provisions.**

Unless specifically amended and approved by the Department of Law, the terms of this contract supersede any provisions the contractor may seek to add. The contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The contractor specifically acknowledges and agrees that, among other things, provisions in any documents it seeks to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) limit liability of the contractor for acts of contractor negligence, are expressly superseded by this contract and are void.

**Article 13. Officials Not to Benefit.**

Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

**Article 14. Covenant Against Contingent Fees.**

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

**Article 15. Compliance.**

In the performance of this contract, the contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

**Article 16. Force Majeure:**

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

## Appendix B<sup>2</sup>

### Indemnity and Insurance

#### Article 1. Indemnification

The Contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the Contractor under this agreement. The Contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of the Contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. “Contractor” and “Contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the Contracting agency’s selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor’s work.

#### Article 2. Insurance

Without limiting contractor's indemnification, it is agreed that contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the contracting officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

**2.1 Workers' Compensation Insurance:** The Contractor will provide a letter stating that they work independently; therefore have no need to carry Workers Compensation coverage.

**2.2 Commercial General Liability Insurance:** covering all business premises and operations used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**2.3 Commercial Automobile Liability Insurance:** covering all vehicles used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**2.4 Professional Liability Insurance:** covering all errors, omissions or negligent acts in the performance of professional services under this agreement.

**RECITALS**

Whereas,

- A. CE wishes to disclose certain information to BA, some of which may constitute Protected Health Information ("PHI");
- B. It is the goal of CE and BA to protect the privacy and provide for the security of PHI owned by CE that is disclosed to BA or accessed, received, stored, maintained, modified or retained by BA in compliance with HIPAA (42 U.S.C. 1320d – 3120d-8) and its implementing regulations at 45 C.F.R. 160 and 45 C.F.R. 164 (the "Privacy and Security Rule"), the Health Information Technology for Economic and Clinical Health Act of 2009 (P.L. 111-5) (the "HITECH Act"), and with other applicable laws;
- C. The purpose and goal of the HIPAA Business Associate Agreement ("BAA") is to satisfy certain standards and requirements of HIPAA, HITECH Act, and the Privacy and Security Rule, including but not limited to 45 C.F.R. 164.502(e) and 45 C.F.R. 164.504(e), as may be amended from time to time;

**Therefore**, in consideration of mutual promises below and the exchange of information pursuant to the BAA, CE and BA agree as follows:

1. Definitions.

- a. General: As used in this BAA, the terms "Protected Health Information," "Health Care Operations," and other capitalized terms have the same meaning given to those terms by HIPAA, the HITECH Act and the Privacy and Security Rule. In the event of any conflict between the mandatory provisions of HIPAA, the HITECH Act or the Privacy and Security Rule, and the provisions of this BAA, HIPAA, the HITECH Act or the Privacy and Security Rule shall control. Where the provisions of this BAA differ from those mandated by HIPAA, the HITECH Act or the Privacy and Security Rule but are nonetheless permitted by HIPAA, the HITECH Act or the Privacy and Security Rule, the provisions of the BAA shall control.
- b. Specific:
  - 1) Business Associate: "Business Associate" or "BA" shall generally have the same meaning as the term "business associate" at 45 C.F.R. 160.103.
  - 2) Covered Entity: "Covered Entity" or "CE" shall have the same meaning as the term "covered entity" at 45 C.F.R. 160.103.
  - 3) Privacy and Security Rule: "Privacy and Security Rule" shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 C.F.R. Part 160 and Part 164.

2. Permitted Uses and Disclosures by Business Associate.

- a. BA may only use or disclose PHI for the following purposes: in the rendering of services as described in Appendix C of this document.
- b. BA may use or disclose PHI as required by law.
- c. BA agrees to make uses and disclosures and requests for PHI consistent with CE's minimum necessary policies and procedures.

- d. BA may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by CE, except for the specific uses and disclosures set out below.
- e. BA may disclose PHI for the proper management and administration of BA or to carry out the legal responsibilities of BA, provided the disclosures are required by law, or BA obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notified BA of any instances of which it is aware in which the confidentiality of the information has been breached.
- f. BA may provide data aggregation services related to the health care operations of CE.

3. Obligations of Business Associate.

- a. Permitted uses and disclosures: BA may only use and disclose PHI owned by the CE that it creates, receives, maintains, or transmits if the use or disclosure is in compliance with each applicable requirement of 45 C.F.R. 164.504(e) of the Privacy Rule or this BAA. The additional requirements of Subtitle D of the HITECH Act contained in Public Law 111-5 that relate to privacy and that are made applicable with respect to Covered Entities shall also be applicable to BA and are incorporated into this BAA.

To the extent that BA discloses CE's PHI to a subcontractor, BA must obtain, prior to making any such disclosure: (1) reasonable assurances from the subcontractor that it will agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such information; and (2) an agreement from the subcontractor to notify BA of any Breach of confidentiality, or security incident, within two business days of when it becomes aware of such Breach or incident.

- b. Safeguards: 45 C.F.R. 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies, procedures and documentation requirements) shall apply to BA in the same manner that such sections apply to CE, and shall be implemented in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. The additional requirements of Title XIII of the HITECH Act contained in Public Law 111-5 that relate to security and that are made applicable to Covered Entities shall also apply to BA and are incorporated into this BAA.

Unless CE agrees in writing that this requirement is infeasible with respect to certain data, BA shall secure all paper and electronic PHI by encryption or destruction such that the PHI is rendered unusable, unreadable or indecipherable to unauthorized individuals; or secure paper, film and electronic PHI in a manner that is consistent with guidance issued by the Secretary of the United States Department of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, as added by Section 13101 of the HITECH Act contained in Public Law 111-5.

BA shall patch its operating system and all applications within two weeks of the release of any patch. BA shall keep its antivirus and antimalware installed and active. BA shall limit its use of administrative accounts for IT operations only.

- c. Reporting Unauthorized Disclosures and Breaches: During the term of this BAA, BA shall notify CE within 24 hours of discovering a Breach of security; intrusion; or unauthorized acquisition, access, use or disclosure of CE's PHI in violation of any applicable federal or state law, including security incidents. BA shall identify for the CE the individuals whose unsecured PHI has been, or is reasonably believed to have been, Breached so that CE can comply with any notification requirements if necessary. BA shall also indicate whether the PHI subject to the Breach; intrusion; or unauthorized acquisition, access, use or disclosure was encrypted or destroyed at the time. BA shall take prompt corrective action to cure any deficiencies that result in Breaches of security; intrusion; or unauthorized acquisition, access, use, and disclosure. BA shall fulfill all breach notice requirements unless CE notifies BA that CE will take over the notice requirements. BA shall reimburse CE for all costs incurred by CE that are associated with any mitigation, investigation and notice of Breach CE undertakes or provides under HIPAA, HITECH Act, and the Privacy and Security Rule as a result of a Breach of CE's PHI caused by BA or BA's subcontractor or agent.

If the unauthorized acquisition, access, use or disclosure of CE's PHI involves only Secured PHI, BA shall notify CE within 10 days of discovering the Breach but is not required to notify CE of the names of the individuals affected.

- d. BA is not an agent of CE.

- e. BA's Agents: If BA uses a subcontractor or agent to provide services under this BAA, and the subcontractor or agent creates, receives, maintains, or transmits CE's PHI, the subcontractor or agent shall sign an agreement with BA containing substantially the same provisions as this BAA and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from the subcontractor or agent in the event of any violation of the subcontractor or agent agreement. BA shall mitigate the effects of any violation of that agreement.
- f. Availability of Information to CE: Within 15 days after the date of a written request by CE, BA shall provide any information necessary to fulfill CE's obligations to provide access to PHI under HIPAA, the HITECH Act, or the Privacy and Security Rule.
- g. Accountability of Disclosures: If BA is required by HIPAA, the HITECH Act, or the Privacy or Security Rule to document a disclosure of PHI, BA shall make that documentation. If CE is required to document a disclosure of PHI made by BA, BA shall assist CE in documenting disclosures of PHI made by BA so that CE may respond to a request for an accounting in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. Accounting records shall include the date of the disclosure, the name and if known, the address of the recipient of the PHI, the name of the individual who is subject of the PHI, a brief description of the PHI disclosed and the purpose of the disclosure. Within 15 days of a written request by CE, BA shall make the accounting record available to CE.
- h. Amendment of PHI: Within 30 days of a written request by CE or an individual, BA shall amend PHI maintained, transmitted, created or received by BA on behalf of CE as directed by CE or the individual when required by HIPAA, the HITECH Act or the Privacy and Security Rule, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. 164.526.
- i. Internal Practices: BA shall make its internal practices, books and records relating to the use and disclosure of CE's PHI available to CE and all appropriate federal agencies to determine CE's and BA's compliance with HIPAA, the HITECH Act and the Privacy and Security Rule.
- j. Risk Assessment: BA shall biennially conduct a thorough assessment of the potential risks to and vulnerabilities of the confidentiality, integrity, and availability of CE's PHI that BA receives, stores, transmits, or has access to, and shall provide CE with a written report detailing the results of the assessment within 60 days of completing it.
- k. To the extent BA is to carry out one or more of CE's obligations under Subpart E of 45 C.F.R. Part 164, BA must comply with the requirements of that Subpart that apply to CE in the performance of such obligations.
- l. Audits, Inspection and Enforcement: CE may, after providing reasonable notice to the BA, conduct an inspection of the facilities, systems, books, logs and records of BA that relate to BA's use of CE's PHI, including inspecting logs showing the creation, modification, viewing, and deleting of PHI at BA's level. Failure by CE to inspect does not waive any rights of the CE or relieve BA of its responsibility to comply with this BAA. CE's failure to detect or failure to require remediation does not constitute acceptance of any practice or waive any rights of CE to enforce this BAA.

Notwithstanding BA's obligation to report under paragraph 3.c of this BAA, BA shall provide a monthly report to CE detailing the unauthorized, or reasonable belief of unauthorized, acquisition, access, use, or disclosure of CE's PHI, including any unauthorized creation, modification, or destruction of PHI and unauthorized login attempts. BA shall include privileged and nonprivileged accounts in its audit and report, indicating the unique individual using the privileged account. BA shall also indicate whether CE's PHI subject to unauthorized activity was encrypted or destroyed at the time of the unauthorized activity.

BA shall provide a yearly report to CE that lists the names of all individuals with technical or physical access to CE's PHI and the scope of that access.

- m. Restrictions and Confidential Communications: Within 10 business days of notice by CE of a restriction upon use or disclosure or request for confidential communications pursuant to 45 C.F.R.164.522, BA shall restrict the use or disclosure of an individual's PHI. BA may not respond directly to an individual's request to restrict the use or disclosure of PHI or to send all communication of PHI to an alternate address. BA shall refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to the BA.

- 
- n. Indemnification: BA shall indemnify and hold harmless CE for any civil or criminal monetary penalty imposed on CE or monetary settlement reached by CE for acts or omissions in violation of HIPAA, the HITECH Act, or the Privacy or Security Rule that are committed by BA, a member of its workforce, its agent, or its subcontractor.
4. Obligations of CE. CE will be responsible for using legally appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to BA under the BAA until the PHI is received by BA. CE will not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HITECH Act or the Privacy and Security Rule if done by CE.
5. Termination.
- a. Breach: A breach of a material term of the BAA by BA that is not cured within a reasonable period of time will provide grounds for the immediate termination of the contract.
- b. Reasonable Steps to Cure: In accordance with 45 C.F.R. 164.504(e)(1)(ii), CE and BA agree that, if it knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party's obligation under the BAA, the nonbreaching party will take reasonable steps to get the breaching party to cure the breach or end the violation and, if the steps taken are unsuccessful, terminate the BAA if feasible, and if not feasible, report the problem to the Secretary of the U.S. Department of Health and Human Services.
- c. Effect of Termination: Upon termination of the contract, BA will, at the direction of the CE, either return or destroy all PHI received from CE or created, maintained, or transmitted on CE's behalf by BA in any form. Unless otherwise directed, BA is prohibited from retaining any copies of PHI received from CE or created, maintained, or transmitted by BA on behalf of CE. If destruction or return of PHI is not feasible, BA must continue to extend the protections of this BAA to PHI and limit the further use and disclosure of the PHI. The obligations in this BAA shall continue until all of the PHI provided by CE to BA is either destroyed or returned to CE.
6. Amendment. The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving, and that the parties may be required to further amend this BAA to ensure compliance with applicable changes in law. Upon receipt of a notification from CE that an applicable change in law affecting this BAA has occurred, BA will promptly agree to enter into negotiations with CE to amend this BAA to ensure compliance with changes in law.

**Instructions for Certification**

1. By signing and submitting this Proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this class is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this Proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "Proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of Federal assistance funds agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant may but is not required to check the List of Parties Excluded from Procurement or Non-procurement Programs.
