CO-Triage Assessments  
RFP Due Date: 1/24/2020 @ 2:00 PM AST

**The following is a clarification to the RFP Scope of Work:**

1. The Co-Triage is being used only as a screening tool and comprehensive substance use disorder (SUD) assessments are not part of this RFP. The Co-Triage is a 21 question provisional referral tool for alcohol and substance problems. The Co-Triage questions help clinicians identify broad categories of treatment need along the six ASAM criteria dimensions and can be completed in just 10 minutes.
