This is notice of the State's intent to award a contract. The table shown here is a tabulation of the offers received. The responsible and responsive offeror whose proposal was determined in writing to be the most advantageous is indicated. An offeror who wishes to protest this notice of intent must file the protest within ten calendar days following the date this notice is issued. If the tenth day falls on a weekend or state observed holiday, the last day of the protest period is the first working day following the tenth day. (AS 36.30.560)

The offeror identified here as submitting the most advantageous proposal is instructed not to proceed until a contract, or other form of notice is given by the contracting officer.
