---

This amendment is to answer two questions about Prior Experience in Sec. 1.04. The questions are as follows,

**Question 1.**

*Would prior experience that specializes in inspecting OSHA regulated equipment and requires very detailed inspections, documentation and knowledge of local state and government regulations, as well as being pilots that are very familiar with airport operations and requirements be acceptable experience?*

**Answer 1.**

Yes, this would be acceptable experience for bullets number 3) and 4). However, offerors must also meet the prior experience in bullets number 1) and 2) in order to be responsive.

**Question 2.**

*Would the state be willing to broaden SEC 1.04 "Prior Experience" to encompass a wider range of inspection experience?*

**Answer 2.**

No.

Thank you,
