Question:

The top of page 21 states; All work associated with Tasks #5 will be reimbursed at the Per Airport Rate submitted by the Successful Offeror. Can you clarify this?

There are two places in the RFP that need clarification:

1. Delete the first paragraph on page 20 under **Optional Additive: Task 5 – Airport Imagery** in its entirety and replace it with the following:

If additional work is required, the Project Manager will provide the Contractor a written description of the work and request that the Contractor submit a proposal with a firm time schedule for accomplishing the additional work and a firm price in accordance with a cost per image identified in the Offeror's Cost Proposal.

2. Delete the bold underlined text at the top of page 21 and replace it with the following:

All work associated with Tasks #5 will be reimbursed at the cost per image rate submitted by the Successful Offeror on their Cost Proposal.
