THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: February 21, 2020

ITB TITLE: Contract for the purchase of miscellaneous laundry, warewashing, janitorial chemicals, paper, plastic, and toiletries

This amendment forms a part of the ITB document and provides answers, clarifications and modification to the ITB requirements. All other items remain the same.

- 1) DOC is informing all vendors that for each lot to be considered complete for the Summary worksheet in the bid abstract, they must enter offered product details for each item in a lot. This includes items that are not being bid on. For example, if a vendor wants to bid on just solid laundry detergents, an entry must still be made for the liquid products in column E of the Specifications worksheet. For these items that vendors do not wish to bid on they may enter "No Bid" to have the Summary worksheet inform that the Lot is complete. Please note that if the Summary worksheet still does not show a lot as complete, then the vendor has not entered all required information.*
