Dear licensees and interested parties:

Alaska's professional licensing statutes (AS 08.01.065) require the Division of Corporations, Business and Professional Licensing (CBPL) to "annually review each fee level to determine whether the regulatory costs of each occupation are approximately equal to fee collections related to that occupation." Alaska's licensing fee statutes go on to say, "If the review indicates that an occupation's fee collections and regulatory costs are not approximately equal, the department shall calculate fee adjustments and adopt regulations...to implement the adjustments."

The division conducted a thorough fee analysis and proposes a modest increase in licensing fee amounts for the nursing and nurse aide licensing programs to comply with AS 08.01.065. Although fees were increased in FY2019, the analysis reflected the need to slightly increase fees for the FY2021 renewal to prevent the threat of deficit.

The Board of Nursing reviewed the fee analysis at a meeting on February 5, 2020, provided valuable input, and made fee recommendations. The division took those recommendations under careful consideration and agreed with the changes proposed by the board. The proposed fee amounts are enclosed and can also be found on the program's web page at <http://nursing.alaska.gov>.

This fee proposal is entering a public comment period. The division encourages all licensees and interested parties to comment on this proposal through the division's regulations specialist. After the comment period closes and the division reviews all comments received, the division may adopt the regulation as drafted, may amend a proposed fee, or may withdraw the regulations in part or in whole.

All comments received will be reviewed and taken into consideration prior to adopting the final regulations. The final decision will result in fee implementation prior to the upcoming license renewal.

Follow the instructions enclosed to make written comments during the public comment period. Comments must be addressed to Jun Maiquis, CBPL Regulations Specialist, PO Box 110806, Juneau, AK 99811 or regulationsandpubliccomment@alaska.gov.

Sincerely,

A handwritten signature in blue ink that reads "Sara Chambers".
