## Questions and Answers

**Question 1:** Was told by Kenworth they cannot do a cab over but could do the T-370. Will that be okay?

**Answer 1:** Yes, the T370 is Class 7 conventional cab and would be acceptable as an “Alternative” model under our specifications. All other specifications would still apply.

Bidders must acknowledge receipt of this addendum prior to the submittal deadline.

The bid documents require acknowledgment individually of all addenda to the drawings and/or specifications. This is a **mandatory requirement** and any bid received without acknowledgment of receipt of addenda may be classified as not being a responsive bid.
