

NOTICE OF ADOPTED CHANGES TO THE REGULATIONS
FEES AND COMMERCIAL LAND USE

On April 2, 2020, the Department of Natural Resources adopted changes in Title 11 of the Alaska Administrative Code dealing with 11 AAC 05.270, Higher Fees, and 11 AAC 96.030 Application (Permits). The regulations concern fees for miscellaneous land use, particularly commercial land use, update the application process for miscellaneous land use permits, and allow for the competitive award of a limited number of commercial land use authorizations if the department determines that conditions require limiting the number of authorizations. The regulation changes were reviewed and approved by the Department of Law, signed and filed by the Lieutenant Governor on April 22, 2020, and will go into effect on May 22, 2020. **See attached copy of the filed version of the regulations.**

The new regulation changes will be printed in Register 234, July 2020 of the Alaska Administrative Code.
