## FINDING OF EMERGENCY

The State Medical Board finds that an emergency exists and that the attached regulation changes are necessary to 12 AAC 40.943, dealing with telemedicine, for the immediate preservation of the public peace, health, safety, or general welfare. The facts constituting the emergency include the following:

The restrictive nature of these regulations could negatively impact the health of the public by impeding access to care during this public health emergency caused by the COVID-19 pandemic.

## ORDER CERTIFYING ADOPTION

I certify that the State Medical Board, under the authority of AS 08.64.100, AS 08.64.101, and AS 08.64.364, adopted at its April 30, 2020 teleconference meeting the attached two pages of regulation changes as an emergency regulation to take effect immediately upon filing by the lieutenant governor, as provided in AS 44.62.180(3).

This action is not expected to require an increased appropriation.

### Chapter 40. State Medical Board.

12 AAC 40.943 is amended to read:

**12 AAC 40.943. Standard of practice for telemedicine.** (a) The guiding principles for telemedicine practice in the American Medical Association (AMA), *Report 7 of the Council on Medical Service (A-14), Coverage of and Payment for Telemedicine*, dated 2014, and the Federation of State Medical Boards (FSMB), *Model Policy for the Appropriate Use of Telemedicine Technologies in the Practice of Medicine*, dated April 2014, are adopted by reference as the standards of practice when providing treatment, rendering a diagnosis, prescribing, dispensing, or administering a prescription or controlled substance without first conducting an in-person physical examination under AS 08.64.364.

(b) During a public health emergency disaster declared by the governor of this state under AS 26.23.020, an appropriate licensed health care provider need not be present with the patient to assist a physician or physician assistant with examination, diagnosis, and treatment if the physician or physician-assistant is prescribing, dispensing, or administering buprenorphine to initiate treatment for opioid use disorder and the physician or physician assistant

(1) is a Drug Addiction Treatment Act (DATA) waived practitioner;

(2) documents all attempts to conduct a physical examination under AS 08.64.364(b) and the reason why the examination cannot be performed; and

(3) requires urine toxicology screening as part of the patient's medication adherence plan. (Eff. 10/8/2017, Register 224; em am 5 / 5 / 2020 - 9 / 1 / 2020,
