Questions submitted by potential offerors and answers from the state:

Question 1: While the solicitation outlines expectations for the cost of the evaluation, I was wondering if there is a limit on the indirect cost rate that can be charged?

Response 1: Section 3.04 of [RFP 200000084](#) describes the Contract Type as a fully burdened firm fixed fee contract. Contractor must submit a quote as a fully burdened firm fixed rate with all direct and indirect costs associated with the performance of the contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies, and travel expenses (if any).

Question 2: The RFP notes that a hard copy of the proposal must be submitted, but then there is indication in the Electronic Copy Return Instructions that submitting a proposal via email is also acceptable. Can you please clarify whether email is allowed?

Response 2: Offerors may submit their proposal via email, but a hard copy of their proposal must be signed and returned using the Return Instructions provided in Section 1.07 of [RFP 200000084](#).
