4	On average, how many hours are involved in a single transport? Can that be broken down, in custody, without custody?	It is difficult to provide an estimated timeframe for a return as the length of the supervision and transport depends on time of juvenile arrest, availability and schedule of JPOs, transportation logistics, and flight schedule. A sampling of nine recent invoices was averaged with the following approximate breakdown: Transportation time with offender: 4.5 hours average (ranging from 2 to 9.5 hours) Transportation Return time, without offender: 4.5 hours average (ranging from 0 to 9 hours) 6 of these transports required overnight lodging in Juneau, with a typical hotel stay of 8 hours. The average supervision time prior to transport was 3.5 hours (ranging from 1 to 11 hours)
5	What factors were used to derive a budget of \$43,750 per year?	The budget was identified by assessing past and current usage of the service, including projecting a slight increase in usage.
