SUBJECT: Corrections to the Alaska
Administrative Code
(AAC): 7 AAC 74.990(a)

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the corrections to the Alaska Administrative Code (AAC) described below. I have forwarded these corrections under a delegation dated March 13, 2020 from the regulations attorney. These revisions correct manifest errors.

The regulation to be revised is 7 AAC 74.990(a) as it appears *in the electronic database*. The revisions to that subsection are as follows:

--In the definitions set out in 7 AAC 74.990(a), the terms being defined in 7 AAC 74.990(a)(21) - (26) should be enclosed in quotation marks. Instead of ending with a closing quotation mark, each term ends with garbage characters. Please replace the garbage characters with closing quotation marks.

To our knowledge, the official hard-copy Alaska Administrative Code does not contain these errors. The errors are in the electronic database only. But please double-check the official hard-copy Alaska Administrative Code.

Thank you for your assistance, and please contact me if you have additional questions.
