**RE: Project Name:** CCTV Camera System Upgrade  
**Project Location:** Goose Creek Correctional Center  
**Project Number:** 190005726

**ADDENDUM # 3**

The Department of Corrections is issuing this Addendum to this Invitation for Bids for the above referenced project.

- All integrators must have required Milestone certifications for Expert version of VMS. Minimum certifications are Milestone Certification Integrator Technician (MCIT) and Milestone Certified Design Engineer (MCDE).
  - Provide certification/s and work experience with bid submittal.
  - These certifications must be in place prior to bid award and integrator must have minimum 1-year experience with Milestone Expert version.
- New server must be Dell or HP base product. We need an off the shelf server for replacement as needed and not a proprietary server.
- Servers must be able to work with Milestone Expert (MSE) VMS with the newest software revisions. No server allowed that requires extensive modifications to work with MSE such as Milestone Husky servers.
- Servers must have a minimum of 3 years full factory replacement with factory 24/7 online tech support.

This addendum is considered part of the Invitation for Bids (ITB) for this project and is to be acknowledged on your submittal form.

Please contact me if you have any questions.

Sincerely,

*gary bailey*
