Re: Board of Dental Examiners

(12 AAC 28.068; 12 AAC 28.400;
12 AAC 28.405)

The Department of Law has reviewed the attached regulations of the Board of Dental Examiners against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Board of Dental Examiners after the close of the public comment period. The regulations concern the on-site inspection of facilities where sedation is provided, and make conforming changes to continuing education requirements to reflect statutory changes.

We note that 12 AAC 28.068(c) and (d) contain placeholders for the effective date of the regulations. Once the regulations are filed and the effective date known, please insert the effective date using the "MM DD, YYYY" format. For example if the filing date were July 6, 2020, you would insert "August 5, 2020" where the placeholders are.

The March 20, 2020 public notice and the May 5, 2020 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.

A letter from Kenley Michaud about the pros and cons of the inspection regulation was presented by the chair. Dr. Nielson reminded the board that they had decided to change the wording to 28.010 (e)(5)(B). It was changed so providers do not feel pressured to unnecessarily sedate children below the age of thirteen to meet the requirement of 20 sedations every two years. Dr. Nielson asked the board for their thoughts. The board agreed “strike” 12 AAC 28.010 (e)(5)(B) from the project.

It was noted that 12 AAC 28.068(b)(4), the Accreditation Association for Ambulatory Health Care, should have the acronym of “AAAHC”.

On a motion duly made by Dr. David Nielson, seconded by Dr. Jon Woller, and approved unanimously by a roll call, it was

RESOLVED adopt the entire regulation project with the correction to number 4 on page 2 to read “AAAHC” and withdraw 12 AAC 28.010 (e)(5)(B) from the project.
