

NOTICE OF PROPOSED CHANGES ON HIGH SCHOOL CREDIT FOR ARMY NATIONAL
GUARD MILITARY TRAINING IN THE REGULATIONS OF
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed regulation would require school districts to award high school credit to eligible students who have completed Alaska Army National Guard military training.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code by adding a new regulation entitled “High school credit for Alaska Army National Guard military training,” 4 AAC 06.077.

This proposal makes high school credit available for eligible third and fourth year high school students who have completed military training with the Alaska Army National Guard. Military training consists of Basic Combat Training, Advanced Individual Training courses, or both. The regulation requires school districts to award health/physical education credit and/or elective credit (e.g., CTE) for successful completion of the training, using the same hourly calculation that they use for other courses of study.

The Department of Education and Early Development invites the public to submit written comments during the written comment period, which begins with the date of this notice and ends on Tuesday, August 25, 2020, at 4:30 p.m. The written comment period closes in advance of the meeting of the State Board of Education and Early Development at which the board will consider the adoption of the proposed regulations.
