## Section 2. Background Information

### Sec. 2.01 BACKGROUND INFORMATION

The Children’s Health Insurance Program Reauthorization Act (CHIPRA) requires Title XXI (CHIP) programs to include in their annual reports “data regarding access to primary and specialty services, access to networks of care, and care coordination provided under the state child health plan, using quality of care and consumer satisfaction measures included in the Consumer Assessment of Healthcare Providers and Systems (CAHPS®) survey” [Section 402(a)(2)].

States are required to report CAHPS results for their Title XXI programs by December 31 annually. In order to adhere to CAHPS 5.0H measure specifications, the Division of Health Care Services (DHCS) will create a sample frame and will contract with a National Committee for Quality Assurance (NCQA) certified HEDIS survey vendor that will administer the survey according to HEDIS protocols. The survey vendor will draw the actual samples and will field the survey.

The survey must separately sample children enrolled in Title XIX (Medicaid) and Title XXI (CHIP) programs and must report separate data.

## Section 3. Scope of Work & Deliverables

### Sec. 3.01 SCOPE OF WORK

The Alaska Department of Health and Social Services, Health Care Services (HCS), is soliciting proposals for a NCQA certified HEDIS survey vendor to conduct the Consumer Assessment of Healthcare Providers and Systems (CAHPS) Health Plan Survey 5.0H – Child Version for children enrolled in Medicaid and including Children with Chronic Conditions Supplemental items.

DHCS will collect CAHPS data for children enrolled in both Medicaid and CHIP which will require a separate sample for Title XXI (M-CHIP funded children) and Title XIX (Medicaid funded children). Data will be reported separately for both when submitting data to the Centers for Medicare & Medicaid Services (CMS) in the Children’s Annual Report Template System (CARTS).

DHCS will generate valid sample frames for Title XIX and XXI funded children that is representative of the entire eligible populations for the CAHPS 5.0H in accordance with the table immediately below:

**Table 1 – Eligible Population for CAHPS 5.0H**

Product lines	Medicaid and/or CHIP
Ages	17 years and younger as of December 31 of the measurement year
Continuous enrollment	The last six months of the measurement year
Allowable gap	For a Medicaid or CHIP enrollee in a state where enrollment is verified monthly, the child may not have more than a one-month gap in coverage (the child must be enrolled for five of the last six months of the measurement year)
Current enrollment	Currently enrolled at the time the survey is completed

DHCS will also have the vendor field the CCC Supplemental Items with the CAHPS 5.0H Child Questionnaire and the sample frames will include a pre-screen status code that will identify children who are more likely to have chronic conditions and children who are less likely to have chronic conditions. The prospective vendor will use this flag to generate two samples within each funding stream: a sample of the general child population and a supplemental sample of children with chronic conditions. The general population sample frame will be generated first within each funding stream, and then the supplemental CCC sample frame will follow within each funding stream. The vendor will be responsible for combining the two samples in each funding stream.

Given that Alaska DHSS typically has a low response to mail surveys and several other considerations, it will be necessary for the prospective vendor to oversample in accordance with the following information. DHCS will confer with the survey vendor to make a final decision, but based on past experience believes it will be necessary to oversample by approximately 60% as shown in the table below to ensure adequate samples to obtain the sufficient number of required completed surveys.

DHCS will be analyzing survey results by:

1. The Tribal Health Organization Regions; and
2. Race, including AN/AI, White and Other; and
3. Urban (Anchorage) v rural as we will not be able to attribute results to a health plan or PCCM since Alaska only has fee for service delivery; and
4. Funding stream, Title XIX (Medicaid funded children) and Title XXI (CHIP funded children); and
5. CCC or children with special health care needs (CSHCNs) versus general child Medicaid and CHIP populations; and

DHCS will provide the zip codes that correspond to the Tribal health regions in addition to the AN/AI, white and other race designations.

**Table 2 – Oversample parameters**

Oversampling Rate and Final Sample Size - General Population			
Sample	Required Sample Size	33% - (U)/67% - (R) split	
		Urban	Rural
CAHPS 5.0H General Child Population Sample	1,650	550	1,100
CCC Supplemental Sample	1,840	613	1,227
Total Sample Size	3,490	1,163	2,327
	Inc. required sample by 60% / PRAMS* - for oversample		
CAHPS 5.0H General Child Population Sample	2,750	917	1,833
CCC Supplemental Sample	3,067	1,022	2,044
Total Sample Size	5,817	1,939	3,878

### **Fielding**

The prospective NCQA vendor will:

1. Field survey in fall of 2020, beginning in early September so at least preliminary survey results may be reported in the FFY2020 children's annual report to CMS as required in CHIPRA;
2. Assist in determining if additional questions are relevant or are likely to decrease the required completed survey outcome;
3. Conduct a mixed methodology, two-wave mail protocol (two questionnaires) with telephone follow-up of at least three telephone attempts.

### **Language**

The survey will be conducted in English and a Spanish survey will be provided, if requested.

### **Sampling**

1. DCHS will provide a clean sample frame to the prospective vendor including, but not limited to, recipient name, parent/guardian name, Medicaid ID, gender, address, date of birth in addition to claims and encounter data specified for the CCC supplemental items.
2. The prospective NCQA vendor will draw the random samples sufficient to achieve the required sample size taking oversampling specifications into consideration.

### **Timing**

The survey will be conducted in Fall 2020 beginning in September to comply with CHIPRA requirements.

## **Sec. 3.02 CONTRACT TERM AND WORK SCHEDULE**

The term of this contract will be from September 1, 2020 – August 31, 2021, with three (3) available annual renewal options, to be exercised at the sole discretion of the state. The full term of the contract, if the renewal is executed, will run from September 15, 2020 – September 14, 2024. Renewals to be exercised solely at the discretion of the State.

Unless otherwise provided in this RFP, the State and the successful offeror/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the procurement officer will provide notice to the contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

## **Sec. 3.03 DELIVERABLES**

Based on the Scope of Work above, the contractor will conduct the following deliverables:

1. Draw the survey samples from the sample frame generated by the state in accordance with Tables 1 and 2 outlined in the Scope of Work above for the general child population and the CCCs/CSHCNs and provide technical assistance to state staff on generating the sample frame; and

3. Administer/field, in accordance with the time frames and tasks outlined in Table 3 below, the mixed methodology survey option, which includes a two-wave mail protocol (two questionnaires) with telephone follow-up of at least three telephone attempts (70 days);

**Table 3 – Survey Vendor Tasks and Time Frames for Mixed Methodology:**

Complete telephone follow-up sequence (completed interviews obtained or maximum calls reached for all nonrespondents) approximately 14 days after initiation	70
Source: "HEDIS 2013 Volume 13: Specifications for Survey Measures" (NCQA 2012).	

4. Generate following CCC specific results for each population so that DCHS may compare the experiences of the general child population and the children with chronic conditions population
  - a. Access to specialized services;

  - d. Access to prescription medication
  - e. Family centered care: getting needed information
5. Provide two separate sets of reports to DHCS on the patient experience of care, one for the general child population and one for the population of children with chronic conditions and for each population and funding stream, results will include the same ratings, composites and individual question summary rates categorized by urban/rural, race (AN/AI, White and Other) and regional Tribal Health Organization after the prospective vendor, and identify the best methods and practices that may better inform improvements in quality for the children enrolled in Medicaid and Denali KidCare

When additional work is required, the project director will provide the contractor a written description of the additional work and request the contractor to submit a firm time schedule for accomplishing the additional work and a firm price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments per AS 36.30.400.

The contractor will not commence additional work until the project director has secured any required state approvals necessary for the amendment and issued a written contract amendment, approved by the Commissioner of the Department of Health and Social Services or the Commissioner's designee.

### Sec. 3.15 NONDISCLOSURE AND CONFIDENTIALITY

Contractor agrees that all confidential information shall be used only for purposes of providing the deliverables and performing the services specified herein and shall not disseminate or allow dissemination of confidential information except as provided for in this section. The contractor shall hold as confidential and will use reasonable care (including both facility physical security and electronic security) to prevent unauthorized access by, storage, disclosure, publication, dissemination to and/or use by third parties of, the confidential information. "Reasonable care" means compliance by the contractor with all applicable federal and state law, including the Social Security Act and HIPAA. The contractor must promptly notify the state in writing if it becomes aware of any storage, disclosure, loss, unauthorized access to or use of the confidential information.

Confidential information, as used herein, means any data, files, software, information or materials (whether prepared by the state or its agents or advisors) in oral, electronic, tangible or intangible form and however stored, compiled or memorialized that is classified confidential as defined by State of Alaska classification and categorization guidelines provided by the state to the contractor or a contractor agent or otherwise made available to the

contractor or a contractor agent in connection with this contract, or acquired, obtained or learned by the contractor or a contractor agent in the performance of this contract. Examples of confidential information include, but are not limited to: technology infrastructure, architecture, financial data, trade secrets, equipment specifications, user lists, passwords, research data, and technology data (infrastructure, architecture, operating systems, security tools, IP addresses, etc).

If confidential information is requested to be disclosed by the contractor pursuant to a request received by a third party and such disclosure of the confidential information is required under applicable state or federal law, regulation, governmental or regulatory authority, the contractor may disclose the confidential information after providing the state with written notice of the requested disclosure (to the extent such notice to the state is permitted by applicable law) and giving the state opportunity to review the request. If the contractor receives no objection from the state, it may release the confidential information within 30 days. Notice of the requested disclosure of confidential information by the contractor must be provided to the state within a reasonable time after the contractor's receipt of notice of the requested disclosure and, upon request of the state, shall seek to obtain legal protection from the release of the confidential information.

The following information shall not be considered confidential information: information previously known to be public information when received from the other party; information freely available to the general public; information which now is or hereafter becomes publicly known by other than a breach of confidentiality hereof; or information which is disclosed by a party pursuant to subpoena or other legal process and which as a result becomes lawfully obtainable by the general public.

### Sec. 3.16 INDEMNIFICATION

The contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. "Contractor" and "contracting agency", as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the contracting agency's selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor's work.

### Sec. 3.17 INSURANCE REQUIREMENTS

Without limiting contractor's indemnification, it is agreed that contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the policies of insurance identified in Appendix B of the Standard Agreement Template (Attached in Section 8). Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the procurement officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure

to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

### Sec. 3.18 TERMINATION FOR DEFAULT

If the project director determines that the contractor has refused to perform the work or has failed to perform the work with such diligence as to ensure its timely and accurate completion, the state may, by providing written notice to the contractor, terminate the contractor's right to proceed with part or all of the remaining work. This clause does not restrict the state's termination rights under the contract provisions (Appendix A of the Standard Agreement Template), attached in Section 8.

## Section 4. Proposal Format and Content

### Sec. 4.01 PROPOSAL FORMAT AND CONTENT

In preparing a proposal response, all narrative portions should be straightforward, detailed, and precise. Do not simply restate or paraphrase information in this RFP. The Department of Health and Social Services will determine the responsiveness of a proposal by its quality, not its volume or packaging.

Please limit your proposals to 50 pages, not including the cost proposal or appendices.

### Sec. 4.02 INTRODUCTION

Proposals must include the complete name and address of offeror's firm and the name, email address, and telephone number of the person the state should contact regarding the proposal.

Proposals must confirm that the offeror will comply with all provisions in this RFP; and, if applicable, provide notice that the firm qualifies as an Alaskan bidder. Proposals must be signed by a company officer empowered to bind the company. An offeror's failure to include these items in the proposals may cause the proposal to be determined to be non-responsive and the proposal may be rejected.

### Sec. 4.03 UNDERSTANDING OF THE PROJECT

Offerors must provide comprehensive narrative statements that illustrate their understanding of the project and requirements that must be accomplished.

### Sec. 4.04 METHODOLOGY USED FOR THE PROJECT

Offerors must also provide a narrative description of the organization of the project team and a personnel roster that identifies lines of authority. For each person who will work on the contract, please provide the following:

- Title and identification of the work will this individual be responsible for
- Resume and specifically related work experience.

## Sec. 4.07 COST PROPOSAL

Offerors must complete the Cost Proposal template provided in Section 8: Attachments.

**The completed cost proposal, including the proposed budget, along with any reference to pricing, is to be excluded from the body of the offeror's proposal.**

Instead, it should accompany the proposal in a separate, sealed envelope if mailing proposal, or as a separate PDF if submitting via email. Failure to comply with this requirement may result in a proposal being rejected as non-responsive.

## Sec. 4.08 EVALUATION CRITERIA

All proposals will be reviewed to determine if they are responsive. Proposals determined to be responsive will be evaluated using the criterion that is set out in Section 5: Evaluation Criteria and Contractor Selection.

An evaluation may not be based on discrimination due to the race, religion, color, national origin, sex, age, marital status, pregnancy, parenthood, disability, or political affiliation of the offeror.

## Section 5. Evaluation Criteria and Contractor Selection

## Sec. 5.05 CONTRACT COST (40%)

Overall, 40% of the total evaluation points will be assigned to cost.

The cost amount used for evaluation may be affected by one or more of the preferences referenced under Section 6.11.

## Sec. 5.06 ALASKA OFFEROR PREFERENCE (10%)

If an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points. This amount will be added to the overall evaluation score of each Alaskan offeror.

## Section 6. General Process Information

### Sec. 6.01 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the project director. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

### Sec. 6.02 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806, for information on these licenses. Website: <https://www.commerce.alaska.gov/web/cbpl/BusinessLicensing.aspx>.

Acceptable evidence that the offeror possesses an Alaska business license may consist of any one of the following:

- copy of a valid Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the state's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Dept. of Revenue or Alaska Dept. of Fish and Game,
- liquor licenses issued by Alaska Dept. of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Dept. of Commerce, Community and Economic Development - Division of Insurance, or
- Mining licenses issued by Alaska Dept. of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

### Sec. 6.03 SITE INSPECTION

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer, at the state's expense, will perform the site inspections.

## Sec. 6.04 CLARIFICATION OF OFFERS

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

## Sec. 6.05 DISCUSSIONS WITH OFFERORS

The State may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

## Sec. 6.06 EVALUATION OF PROPOSALS

The procurement officer, or an evaluation committee made up of at least three state employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in Section 5: Evaluation Criteria and Contractor Selection.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

## Sec. 6.07 CONTRACT NEGOTIATION

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal. If contract negotiations are commenced, they may be held in person, telephonically, or via video conference.

If the contract negotiations take place in person in Alaska, the offeror will be responsible for their travel and per diem expenses.

## Sec. 6.08 FAILURE TO NEGOTIATE

If the selected offeror:

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

## Sec. 6.09 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation the procurement officer will issue a written Notice of Intent to Award (NOIA) and send copies to all offerors who submitted proposals. The NOIA will set out the names of all offerors and identify the offeror selected for award.

## Sec. 6.10 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."

## Sec. 6.11 APPLICATION OF PREFERENCES

Certain preferences apply to all contracts for professional services, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the RFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply and provide examples of how to calculate the preferences are available at the Department of Administration, Division of Shared Service's web site:

<http://doa.alaska.gov/dgs/pdf/pref1.pdf>.

The preferences and corresponding Statutes are:

- Alaska Products Preference - AS 36.30.332
- Recycled Products Preference - AS 36.30.337
- Local Agriculture and Fisheries Products Preference - AS 36.15.050
- Employment Program Preference - AS 36.30.321(b)
- Alaskans with Disabilities Preference - AS 36.30.321(d)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.

## Sec. 6.12 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of 5% will be applied to the price in the proposal.

The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;
- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50

- and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11  
and all partners are residents of the state; and  
5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

#### **Alaska Bidder Preference Certification Form**

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

### **Sec. 6.13 ALASKA VETERAN PREFERENCE**

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans; or
- D. corporation that is wholly owned by individuals, and a majority of the individuals are Alaska veterans.

#### **Alaska Veteran Preference Certification**

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

### **Sec. 6.14 ALASKA OFFEROR PREFERENCE**

2 AAC 12.260(e) provides Alaska offerors a 10% overall evaluation point preference. Alaska bidders, as defined in AS 36.30.990(2), are eligible for the preference. An Alaska offeror will receive 10% of the total available points added to their overall evaluation score as a preference.

### **Sec. 6.15 FORMULA USED TO CONVERT COST TO POINTS**

The distribution of points based on cost will be determined as set out in 2 AAC 12.260(c). The lowest cost proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other proposals will be determined using the formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})]$$

## Sec. 6.16 EXAMPLES: CONVERTING COST TO POINTS

### A. Formula Used to Convert Cost to Points

#### STEP 1

List all proposal prices, adjusted where appropriate by the application of applicable preferences.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

#### STEP 2

In this example, the RFP allotted 40% of the available 100 points to cost. This means that the lowest cost will receive the maximum number of points.

**Offeror #1 receives 40 points.**

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 40 points.

**Offeror #2 receives 37.4 points.**

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$42,750 \text{ cost of proposal} = 37.4$

**Offeror #3 receives 33.7 points.**

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$47,500 \text{ cost of proposal} = 33.7$

### B. Alaska Offeror Preference

#### STEP 1

Determine the number of points available to qualifying offerors under this preference.

$100 \text{ Total Points Available in RFP} \times 10\% \text{ Alaska Offeror preference} = 10 \text{ Points for the preference}$

#### Step 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska Offeror preference. For the purpose of this example, presume that all of the proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	83 points	No Preference	0	points
Offeror #2	74 points	Alaska Offeror Preference	10	points
Offeror #3	80 points	Alaska Offeror Preference	10	points

#### Step 3

Add the applicable Alaska Offeror preference amounts to the offerors' scores:

Offeror #1	83 points
Offeror #2	84 points (74 points + 10 points)
Offeror #3	90 points (80 points + 10 points)

#### Step 4

Offeror #3 is the highest scoring offeror and would get the award, provided their proposal is responsible and responsive.

## Section 7. General Legal Information

### Sec. 7.01 STANDARD CONTRACT PROVISIONS

The contractor will be required to sign and submit the State's Standard Agreement Form for Professional Services Contracts (including all associated appendices). This form is attached in Section 8: Attachments, for your review. The contractor must comply with all contract provisions set out in this attachment. No alteration of these provisions will be permitted without prior written approval from the Department of Law. Objections to any of the provisions in Appendix A must be set out in the offeror's proposal in a separate document. Please include the following information with any change that you are proposing:

1. Identify the provision the offeror takes exception with.
2. Identify why the provision is unjust, unreasonable, etc.
3. Identify exactly what suggested changes should be made.

### Sec. 7.02 QUALIFIED OFFERORS

Per 2 AAC 12.875, unless provided for otherwise in the RFP, to qualify as an offeror for award of a contract issued under AS 36.30, the offeror must:

- 1) Add value in the contract by actually performing, controlling, managing, or supervising the services to be provided; or
- 2) Be in the business of selling and have actually sold on a regular basis the supplies that are the subject of the RFP.

If the offeror leases services or supplies or acts as a broker or agency in providing the services or supplies in order to meet these requirements, the procurement officer may not accept the offeror as a qualified offeror under AS 36.30.

### Sec. 7.03 PROPOSAL AS A PART OF THE CONTRACT

Part or all of this RFP and the successful proposal may be incorporated into the contract.

### Sec. 7.04 ADDITIONAL TERMS AND CONDITIONS

The State reserves the right to add terms and conditions during contract negotiations.

These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

### Sec. 7.05 HUMAN TRAFFICKING

By signature on their proposal, the offeror certifies that the offeror is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <https://www.state.gov/trafficking-in-persons-report/>

Failure to comply with this requirement will cause the state to reject the proposal as non-responsive, or cancel the contract.

## Sec. 7.06 RIGHT OF REJECTION

Offerors must comply with all of the terms of the RFP, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP.

Offerors may not qualify the proposal nor restrict the rights of the state. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counter-offer and the proposal may be rejected.

Minor informalities may be waived by the procurement officer. These may include informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the RFP;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision.

The state reserves the right to refrain from making an award if it determines that to be in its best interest.

**A proposal from a debarred or suspended offeror shall be rejected.**

## Sec. 7.07 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The State will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any proposal.

## Sec. 7.08 DISCLOSURE OF PROPOSAL CONTENTS

All proposals and other material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, proposals will become public information.

Trade secrets and other proprietary data contained in proposals may be held confidential if the offeror requests, in writing, that the procurement officer does so, and if the procurement officer agrees, in writing, to do so. The offeror's request must be included with the proposal, must clearly identify the information they wish to be held confidential, and include a statement that sets out the reasons for confidentiality. Unless the procurement officer agrees in writing to hold the requested information confidential, that information will also become public after the Notice of Intent to Award is issued.

## Sec. 7.09 ASSIGNMENT

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer. Proposals that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.

## Sec. 7.10 DISPUTES

A contract resulting from this RFP is governed by the laws of the State of Alaska. If the contractor has a claim arising in connection with the agreement that it cannot resolve with the state by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – AS 36.30.632. To the extent not otherwise governed by the preceding, the claim shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

## Sec. 7.11 SEVERABILITY

If any provision of the contract or agreement is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

## Sec. 7.12 SUPPLEMENTAL TERMS AND CONDITIONS

Proposals must comply with Section 7.06: Right of Rejection. However, if the state fails to identify or detect supplemental terms or conditions that conflict with those contained in this RFP or that diminish the state's rights under any contract resulting from the RFP, the term(s) or condition(s) will be considered null and void. After award of contract:

- if conflict arises between a supplemental term or condition included in the proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and
- if the state's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

## Sec. 7.13 SOLICITATION ADVERTISING

Public notice has been provided in accordance with 2 AAC 12.220.

## Sec. 7.14 FEDERALLY IMPOSED TARIFFS

## Sec. 8.04 ATTACHMENT 4 - CERTIFICATION REGARDING DEBARMENT

### **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions**

Expenditures from this contract may involve federal funds. The U.S. Department of Labor requires all state agencies that are expending federal funds to have a certification filed by the contractor that they have not been debarred or suspended from doing business with the federal government. Certification regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions must be signed along with the contract documents.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participant's responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

**Before completing this certification, read the instructions on the following page, which are an integral part of the certification.**

1. The prospective recipient of Federal assistance funds certifies, by submission of this bid, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the prospective recipient of Federal assistance funds is unable to certify to any of the Statements in this certification, such prospective participant shall attach an explanation to this Proposal.

## Instructions for Certification

1. By signing and submitting this Proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this class is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this Proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "Proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of Federal assistance funds agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
6. The prospective recipient of Federal assistance funds further agrees by submitting this Proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.

**Article 9. Payment of Taxes.**

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

**Article 10. Ownership of Documents.**

**Article 14. Covenant Against Contingent Fees.**

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. ## Appendix B<sup>2</sup> Indemnity and Insurance

### Article 1. Indemnification

The Contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the Contractor under this agreement. The Contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of the Contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. “Contractor” and “Contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the Contracting agency’s selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor’s work.

### Article 2. Insurance

Without limiting contractor's indemnification, it is agreed that contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the contracting officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

**2.1 Workers' Compensation Insurance:** The Contractor will provide a letter stating that they work independently; therefore have no need to carry Workers Compensation coverage.

**2.2 Commercial General Liability Insurance:** covering all business premises and operations used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**2.3 Commercial Automobile Liability Insurance:** covering all vehicles used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**2.4 Professional Liability Insurance:** covering all errors, omissions or negligent acts in the performance of professional services under this agreement.

- E. BA may be a Qualified Service Organization (“QSO”) under Part 2 and therefore must agree to certain mandatory provisions regarding the use and disclosure of substance abuse treatment information.

**Therefore**, in consideration of mutual promises below and the exchange of information pursuant to the BAA, CE and BA agree as follows:

- 1. Definitions.
  - a. General: As used in this BAA, the terms "Protected Health Information," "Health Care Operations," and other capitalized terms have the same meaning given to those terms by HIPAA, the HITECH Act and the Privacy and Security Rule. In the event of any conflict between the mandatory provisions of HIPAA, the HITECH Act or the Privacy and Security Rule, and the provisions of this BAA, HIPAA, the HITECH Act or the Privacy and Security Rule shall control. Where the provisions of this BAA differ from those mandated by HIPAA, the HITECH Act or the Privacy and Security Rule but are nonetheless permitted by HIPAA, the HITECH Act or the Privacy and Security Rule, the provisions of the BAA shall control.
  - b. Specific:
    - 1) Business Associate: “Business Associate” or “BA” shall generally have the same meaning as the term “business associate” at 45 C.F.R. 160.103.
    - 2) Covered Entity: “Covered Entity” or “CE” shall have the same meaning as the term “covered entity” at 45 C.F.R. 160.103.
    - 3) Privacy and Security Rule: “Privacy and Security Rule” shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 C.F.R. Part 160 and Part 164.
- 2. Permitted Uses and Disclosures by Business Associate.
  - a. BA may only use or disclose PHI for the following purposes:

- b. BA may use or disclose PHI as required by law.
  - c. BA agrees to make uses and disclosures and requests for PHI consistent with CE's minimum necessary policies and procedures.
  - d. BA may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by CE, except for the specific uses and disclosures set out below.
  - e. BA may disclose PHI for the proper management and administration of BA or to carry out the legal responsibilities of BA, provided the disclosures are required by law, or BA obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notified BA of any instances of which it is aware in which the confidentiality of the information has been breached.
  - f. BA may provide data aggregation services related to the health care operations of CE.
3. Obligations of Business Associate.
- a. Permitted uses and disclosures: BA may only use and disclose PHI owned by the CE that it creates, receives, maintains, or transmits if the use or disclosure is in compliance with each applicable requirement of 45 C.F.R. 164.504(e) of the Privacy Rule or this BAA. The additional requirements of Subtitle D of the HITECH Act contained in Public Law 111-5 that relate to privacy and that are made applicable with respect to Covered Entities shall also be applicable to BA and are incorporated into this BAA.
- To the extent that BA discloses CE's PHI to a subcontractor, BA must obtain, prior to making any such disclosure: (1) reasonable assurances from the subcontractor that it will agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such information; and (2) an agreement from the subcontractor to notify BA of any Breach of confidentiality, or security incident, within two business days of when it becomes aware of such Breach or incident.
- b. Safeguards: 45 C.F.R. 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies, procedures and documentation requirements) shall apply to BA in the same manner that such sections apply to CE, and shall be implemented in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. The additional requirements of Title XIII of the HITECH Act contained in Public Law 111-5 that relate to security and that are made applicable to Covered Entities shall also apply to BA and are incorporated into this BAA.

Unless CE agrees in writing that this requirement is infeasible with respect to certain data, BA shall secure all paper and electronic PHI by encryption or destruction such that the PHI is rendered unusable, unreadable or indecipherable to unauthorized individuals; or secure paper, film and electronic PHI in a manner that is consistent with guidance issued by the Secretary of the United States Department of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, as added by Section 13101 of the HITECH Act contained in Public Law 111-5.

BA shall not use personally owned devices to create, receive, maintain or transmit PHI. Devices the BA uses to create, receive, maintain or transmit CE's electronic PHI shall be owned and managed by BA or CE.

BA shall patch its operating system and all applications within two weeks of the release of any patch.

BA shall keep its antivirus and antimalware installed and active. BA shall limit its use of administrative accounts for IT operations only.

- c. Reporting Unauthorized Disclosures and Breaches: During the term of this BAA, BA shall notify CE within 24 hours of discovering a Breach of security; intrusion; or unauthorized acquisition, access, use or disclosure of CE's PHI in violation of any applicable federal or state law, including security incidents.
- BA shall identify for the CE the individuals whose unsecured PHI has been, or is reasonably believed to have been, Breached so that CE can comply with any notification requirements if necessary. BA shall also indicate whether the PHI subject to the Breach; intrusion; or unauthorized acquisition, access, use or disclosure was encrypted or destroyed at the time. BA shall take prompt corrective action to cure any deficiencies that result in Breaches of security; intrusion; or unauthorized acquisition, access, use, and disclosure. BA shall fulfill all breach notice requirements unless CE notifies BA that CE will take over the notice requirements. BA shall reimburse CE for all costs incurred by CE that are associated with any mitigation, investigation and notice of Breach CE undertakes or provides under HIPAA, HITECH Act, and the Privacy and Security Rule as a result of a Breach of CE's PHI caused by BA or BA's subcontractor or agent.
- If the unauthorized acquisition, access, use or disclosure of CE's PHI involves only Secured PHI, BA shall notify CE within 10 days of discovering the Breach but is not required to notify CE of the names of the individuals affected.
- d. BA is not an agent of CE.
- e. BA's Agents: If BA uses a subcontractor or agent to provide services under this BAA, and the subcontractor or agent creates, receives, maintains, or transmits CE's PHI, the subcontractor or agent shall sign an agreement with BA containing substantially the same provisions as this BAA and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from the subcontractor or agent in the event of any violation of the subcontractor or agent agreement. BA shall mitigate the effects of any violation of that agreement.
- f. Availability of Information to CE: Within 15 days after the date of a written request by CE, BA shall provide any information necessary to fulfill CE's obligations to provide access to PHI under HIPAA, the HITECH Act, or the Privacy and Security Rule.
- g. Accountability of Disclosures: If BA is required by HIPAA, the HITECH Act, or the Privacy or Security Rule to document a disclosure of PHI, BA shall make that documentation. If CE is required to document a disclosure of PHI made by BA, BA shall assist CE in documenting disclosures of PHI made by BA so that CE may respond to a request for an accounting in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. Accounting records shall include the date of the disclosure, the name and if known, the address of the recipient of the PHI, the name of the individual who is subject of the PHI, a brief description of the PHI disclosed and the purpose of the disclosure. Within 15 days of a written request by CE, BA shall make the accounting record available to CE.
- h. Amendment of PHI: Within 30 days of a written request by CE or an individual, BA shall amend PHI maintained, transmitted, created or received by BA on behalf of CE as directed by CE or the individual when required by HIPAA, the HITECH Act or the Privacy and Security Rule, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. 164.526.
- i. Internal Practices: BA shall make its internal practices, books and records relating to the use and disclosure of CE's PHI available to CE and all appropriate federal agencies to determine CE's and BA's compliance with HIPAA, the HITECH Act and the Privacy and Security Rule.

- j. Risk Assessment: BA shall biennially conduct a thorough assessment of the potential risks to and vulnerabilities of the confidentiality, integrity, and availability of CE's PHI that BA receives, stores, transmits, or has access to. BA shall provide CE, upon request, with a written report detailing the results of the risk assessment within 5 days.
- k. To the extent BA is to carry out one or more of CE's obligations under Subpart E of 45 C.F.R. Part 164, BA must comply with the requirements of that Subpart that apply to CE in the performance of such obligations.
- l. Audits, Inspection and Enforcement: CE may, after providing reasonable notice to the BA, conduct an inspection of the facilities, systems, books, logs and records of BA that relate to BA's use of CE's PHI, including inspecting logs showing the creation, modification, viewing, and deleting of PHI at BA's level. Failure by CE to inspect does not waive any rights of the CE or relieve BA of its responsibility to comply with this BAA. CE's failure to detect or failure to require remediation does not constitute acceptance of any practice or waive any rights of CE to enforce this BAA.

Notwithstanding BA's obligation to report under paragraph 3.c of this BAA, BA shall provide a monthly report to CE detailing the unauthorized, or reasonable belief of unauthorized, acquisition, access, use, or disclosure of CE's PHI, including any unauthorized creation, modification, or destruction of PHI and unauthorized login attempts. BA shall include privileged and nonprivileged accounts in its audit and report, indicating the unique individual using the privileged account. BA shall also indicate whether CE's PHI subject to unauthorized activity was encrypted or destroyed at the time of the unauthorized activity.

BA shall provide a yearly report to CE that lists the names of all individuals with technical or physical access to CE's PHI and the scope of that access.

- m. Restrictions and Confidential Communications: Within 10 business days of notice by CE of a restriction upon use or disclosure or request for confidential communications pursuant to 45 C.F.R.164.522, BA shall restrict the use or disclosure of an individual's PHI. BA may not respond directly to an individual's request to restrict the use or disclosure of PHI or to send all communication of PHI to an alternate address. BA shall refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to the BA.
  - n. Indemnification: BA shall indemnify and hold harmless CE for any civil or criminal monetary penalty or fine imposed on CE for acts or omissions in violation of HIPAA, the HITECH Act, or the Privacy or Security Rule that are committed by BA, a member of its workforce, its agent, or its subcontractor.
4. Obligations of CE. CE will be responsible for using legally appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to BA under the BAA until the PHI is received by BA. CE will not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HITECH Act or the Privacy and Security Rule if done by CE.
5. Termination.
- a. Breach: A breach of a material term of the BAA by BA that is not cured within a reasonable period of time will provide grounds for the immediate termination of the contract.
  - b. Reasonable Steps to Cure: In accordance with 45 C.F.R. 164.504(e)(1)(ii), CE and BA agree that, if it knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party's obligation under the BAA, the nonbreaching party will take reasonable steps to get the breaching party to cure the breach or end the violation and, if the steps taken are unsuccessful, terminate the BAA if feasible, and if not feasible, report the problem to the Secretary of the U.S. Department of Health and Human Services.

- c. Effect of Termination: Upon termination of the contract, BA will, at the direction of the CE, either return or destroy all PHI received from CE or created, maintained, or transmitted on CE's behalf by BA in any form. Unless otherwise directed, BA is prohibited from retaining any copies of PHI received from CE or created, maintained, or transmitted by BA on behalf of CE. If destruction or return of PHI is not feasible, BA must continue to extend the protections of this BAA to PHI and limit the further use and disclosure of the PHI. The obligations in this BAA shall continue until all of the PHI provided by CE to BA is either destroyed or returned to CE.
6. Amendment. The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving, and that the parties may be required to further amend this BAA to ensure compliance with applicable changes in law. Upon receipt of a notification from CE that an applicable change in law affecting this BAA has occurred, BA will promptly agree to enter into negotiations with CE to amend this BAA to ensure compliance with changes in law.
7. Ownership of PHI. For purposes of this BAA, CE owns the data that contains the PHI it transmits to BA or that BA receives, creates, maintains or transmits on behalf of CE.
8. Litigation Assistance. Except when it would constitute a direct conflict of interest for BA, BA will make itself available to assist CE in any administrative or judicial proceeding by testifying as witness as to an alleged violation of HIPAA, the HITECH Act, the Privacy or Security Rule, or other law relating to security or privacy.
9. Regulatory References. Any reference in this BAA to federal or state law means the section that is in effect or as amended.
10. Interpretation. This BAA shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy and Security Rule and applicable state and federal laws. The parties agree that any ambiguity in BAA will be resolved in favor of a meaning that permits the CE to comply with and be consistent with HIPAA, the HITECH Act, and the Privacy and Security Rule. The parties further agree that where this BAA conflicts with a contemporaneously executed confidentiality agreement between the parties, this BAA controls.
11. No Private Right of Action Created. This BAA does not create any right of action or benefits for individuals whose PHI is disclosed in violation of HIPAA, the HITECH Act, the Privacy and Security Rule or other law relating to security or privacy.
12. Privacy and Security Point of Contact. All communications occurring because of this BAA shall be sent to [HSS-Security@alaska.gov](mailto:HSS-Security@alaska.gov) in addition to the CE.

**In witness thereof**, the parties hereto have duly executed this BAA as of the effective date.
