Re: Board of Veterinary Examiners
Regulation re: 12 AAC 68.015-990:
Examination Requirements,
Temporary Licenses and Permits,
Client-Patient Relationship,
Definitions

The Department of Law has reviewed the attached regulations of the Board of Veterinary Examiners against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Board of Veterinary Examiners after the close of the public comment period. The regulations concern providing examination materials electronically and allowing the use of official transcripts as proof of graduation.

The May 20, 2020, public notice and the July 13, 2020, certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. Although the edits may on first glance look extensive, they were made with input from agency personnel to ensure correct understanding of the board's intent and incorporation of the process of how an applicant may access an electronic examination. The corrections are shown on the attached copy of the regulations.
