RFP #210000023
Large Event COVID-19 Mitigation Education Services

Amendment #2

Issue Date: September 17, 2020

Issued By: Susan Jabal, Procurement Specialist V susan.jabal@alaska.gov

Important Note to Offerors: All sections of the RFP remain the same. A copy of the amendment is available on the Alaska Online Public Notices (OPN) website.

This amendment provides response to the following questions:

Question 1) On p. 4, it states that: "3. The offeror must have three (3) years of experience in the past five (5) knowledge or experience coordinating, hosting, or facilitating large gatherings, sports, and/or events."

If the applicant agency has sufficient experience in points 1 and 2, can a subcontractor's experience be used for point 3?

State Response to Question 1) per RFP Section 2.10: "Subcontractor experience shall be considered in determining whether the offeror meets the requirements set forth in Section 1.04: Minimum Qualifications."

Question 2) On pg. 16, the RFP states that "Joint ventures will not be allowed." Please define joint ventures.

State Response to Question 2) a joint venture is defined as "An association of businesses that engage in and carry out a specific or limited-purpose business venture for joint profit for a defined period of time." For the purposes of this RFP, joint ventures are not allowed.

However, sub contractual relationships are allowed, as described in the RFP section 2.10. In a sub contractual relationship, the primary contractor is the sole recipient of the contract with the State, and may allocate portions of the work out to its teaming partners. The primary contractor remains responsible for all work completed.
