PROJECT NAME: Bethel Hangar Standby/ Emergency Generator  
PROJECT LOCATION: Bethel, Alaska  
PROJECT NO.: 02A6520024

**BIDDERS PLEASE NOTE:** Before preparing this bid schedule, carefully read the "Information to Bidders" and the following:

The Bidder shall insert a fixed price in figures and in words opposite each pay item which appears in the bid schedule. No price is to be entered or tendered for any item not appearing in the bid schedule.

If in checking extension of bids, the Department finds any discrepancy between the amount written numerically and the amount written in words, the amount written in words will prevail.

**Conditioned or qualified bids will be considered non-responsive.**

Contract award will be made on the basis of the adjusted total basic bid plus Additive Alternates, if any are called for to the extent of the availability of construction funds. If the order of bidders is not affected, award may be made on any combination of Alternates in the order listed, or none as may be in the best interest of the Department. Alternates are not, however, part of the basic bid.

The Department reserves the right to reject all bids.

Bethel Hangar Standby/ Emergency Generator

Army Aviation Operations Facility, Bethel, Alaska

**Project Number 02A6520024**

The undersigned bidder acknowledges that:

1. It has carefully examined the bid package; the Department has afforded the bidder sufficient opportunity to examine the site of the work; it is familiar with regulatory and construction-related code requirements that may affect cost, progress, and performance of the work; and it possesses sufficient information to formulate its bid for performance of the project according to the terms and conditions of the bid package;
2. The quantities, where specified in the bid schedule or on the plans for this project, are approximate only and subject to increase or decrease and the undersigned bidder is willing to perform increased or decreased quantities of work at unit prices bid under the conditions set forth in the bid package;
3. If the Department accepts its bid, the bidder will execute the advertised contract and provide required bonds within the time and in the amount specified in the Invitation to Bid; if the bidder fails to do so, it further agrees that it will forfeit its bid bond to the Department as liquidated damages and that the Department may award the contract to another bidder;
4. If the Department awards the bidder the advertised contract, the bidder will furnish and deliver all materials and do all work and labor required for the timely completion of the project according to the plans and specifications and for the amount and prices stated in its bid schedule, which is made a part of this bid; and
5. In a matter relating to a procurement or a contract claim, it is unlawful for a person to make a misrepresentation to the State through a trick, scheme, or device. AS 36.30.687.

**BID FORMS**

By applying my signature below, I certify under penalty of perjury that:

1. The undersigned bidder has not made a misrepresentation to the Department in connection with this procurement;
2. Consistent with 2 AAC 12.800, the undersigned bidder has neither directly nor indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding. This bidder, its employees, and its agents have not divulged the contents of this proposal to any person who is not an employee or agent of the bidder or the surety furnishing bond(s) for bidder on this project; nor will they divulge such contents before the Department's public opening of bidder's proposal; and
3. I am the duly appointed representative of the undersigned bidder, who has authorized and empowered me to legally bind it concerning this bid proposal.
