Covid Response and Decontamination for Facilities
Amendment 1

Amendment Issue Date: 09/17/2020

This amendment provides State of Alaska response to questions received.
Unless identified below, all other terms & conditions of the RFP remain the same.

A copy of this amendment is available on the State's Vendor Self Service website.

Question 1:

- 1) Will storage space for equipment be granted at each location?

States Response:

Short term storage can be provided for decontamination that might take several days.

- 2) Please further define the "On call" Hours, i.e. during duty hours/ off duty hours, or 24 hours 7 days a week?

States Response:

We would work with the vender on the appropriate time frame. Since this is COVID cleaning, the office, or section of an office, may already be vacated to allow for daytime decontamination cleaning.

- 3) Please further define the percentage of initial funding during Oct-Jan?

States Response:

The overall budget for these services cannot exceed \$300,000.00. As this is a service to be utilized on a, "as needed" basis. There is no guaranteed paid amount per contracted period.
