

Appendix Q - Appendix A - Items Not Included in the Vessel Sale - DOT&PF – IFSB #2521S019

Ward Cove Group - APPENDIX A

Items Not Included in the Vessel Sale:

The following are the property of Ward Cove Group, the contractor responsible for the long term lay-up of the FVF Chenega and FVF Fairweather, and are not included in the DOT&PF Sealed Bid Sale No.2521S109.

- The Gangways.
- All vessel mooring lines considered “Stretch”.
- All Vessel shore power lines.
- All portable heaters currently onboard the vessels.
- All portable dehumidifiers currently onboard the vessels.
- Any Porta-Pottie that may be located on the deck of the vessels.
- Any camera or video surveillance equipment that the contractor has located on the vessels to monitor access.
- Any phone line or communications devices (including wireless) devices that may be connected to the vessels by the contractor for the purpose of monitoring the fire and bilge alarms.
