FINDING OF EMERGENCY

The Alcoholic Beverage Control Board finds that an emergency exists and that the attached regulations are necessary for the immediate preservation of the public peace, health, safety, or general welfare. The facts constituting the emergency include the following:

On November 6 2020, the governor declared a public health disaster emergency under AS 26.23.020 due to the spread of COVID-19. According to the declaration, an outbreak of Covid-19 is occurring in Alaska due to widespread community transmission. The declaration is effective November 16, 2020 to December 15, 2020 and replaces a prior declaration of public health emergency that expired November 15, 2020.

The Center for Disease Control and Alaska Department of Health and Social Services have warned that COVID-19 is highly contagious and that physical distancing is paramount to containing the spread of the virus. Alaska instituted public health mandates requiring that individuals maintain physical distance from people who are not members of the person's household. The mandates allow for the continued operation of businesses where people can maintain the required social distance when inside.

Stores, restaurants, and bars have implemented strict measures to maintain physical distance and increasing the availability of drive-through and curbside pick-up and home delivery options. The board concludes so long as patrons are able to enter the premises of alcohol licensees for purchasing, it is necessary to take every possible step to protect the health and safety of those patrons and employees by providing purchasing opportunities that minimize physical distance between patrons and employees.

On November 15, 2020, the governor issued Covid Outbreak Health Order No. 1, Relating to the Suspension of Sections of Alaska Administrative Code and Sections of Alaska Statutes. The order suspends the following statutes in Title 4, relating to the sales of alcoholic beverages, through the duration of the Public Health Emergency Disaster Declaration effective November 16, 2020 at 12:01 a.m.

<u>Authority</u>	<u>Division</u>	<u>Suspended as described below</u>
AS 04.06.050	AMCO	To suspend the requirement that the Alcohol Beverage Control Board meet at least once each year in each judicial district. Suspension of the statute only to the extent necessary to allow for:
AS 04.11.090	AMCO	(1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being

AS 04.11.100	AMCO	delivered by a licensed restaurant or eating place establishment. Suspension of the statute only to the extent necessary to allow for: (1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being delivered by a licensed restaurant or eating place establishment.
AS 04.11.130	AMCO	Suspension of the statute only to the extent necessary to allow for (1) the curbside pickup of beer sales otherwise allowed under the statute; and (2) delivery of beer and wine when included with an order of food being prepared and delivered by a licensed restaurant or eating place establishment or by the bona fide restaurant on the licensed premises.
AS 04.11.135(a)(3)	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside pickup of beer sales otherwise allowed under the statute.
AS 04.11.135(d)(3)(C) & (e)	AMCO	Suspension of the statute only to the extent necessary to allow for: (1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being delivered by a licensed restaurant or eating place establishment.
AS 04.11.140	AMCO	Suspension of the statute only to the extent necessary to allow for (1) the curbside pickup of wine sales otherwise allowed under the statute; and (2) delivery of beer and wine when included with an order of food being prepared and delivered by a licensed restaurant or eating place establishment or by the bona fide restaurant on the licensed premises.
AS 04.11.150	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside pickup of alcohol sales otherwise allowed under the statute.
AS 04.11.170	AMCO	Suspension of the statute only to the extent necessary to allow for curbside pickup of alcohol.

The practical effect of these suspensions is that licensees are able to sell alcoholic beverages off of the licensed premises. To provide constraints and avoid confusion, the board must pass emergency regulations so that physical distancing can be balanced with existing public peace, health, and safety protections, including verification that the purchasers are of legal drinking age and are not intoxicated at the time of purchase and protections against alcohol being left unattended.

THEREFORE: The Alcoholic Beverage Control Board finds that upon suspension of the listed Title 4 statutory provisions as stated in the Governor's Suspension Order, effective November 16, 2020, it is in the best interest of the state to enact emergency regulations 3 AAC 304.185(g) 3 AAC 3 AAC 304.920, and 3 AAC 304.925.

ORDER CERTIFYING ADOPTION

I certify that the Alcoholic Beverage Control Board under the authority of AS 04.06.090, adopted at its November 17, 2020 meeting the attached five pages of regulation changes as an emergency regulation to take effect immediately upon filing by the lieutenant governor as provided in AS 44.62.180(3).

This action is not expected to require an increased appropriation.

Alcoholic Beverage Control Board Meeting November 17, 2020 semi-transcript from zoon meeting recording

Curbside/Home Delivery – extension – emergency regulation

11:32 Glen Brady calls meeting to order. He states no public comment will be taken.

Roll Call

Glen Brady – present
Sara Erickson – present
Dana Walukiewicz – present
Rex Leath – not present
Charlie Cross – not present

Glen Brady summarizes what the meeting is about: considering the adoption of extension of curbside/home delivery emergency regulations. He states that this brings us into kind of a coordination with the extension of the emergency orders (Governor's).

Glen Brady asks Jane Sawyer or Joan Wilson to explain.

Joan Wilson explains to the board what the regulation packet would do: creates another set of emergency regulations effective as soon as the Lt. Governor signs them that continue the regulations that the board put in place regarding home delivery and curbside.

Joan Wilson talks about the 30-day Governor's extension, the 120-day effective date of the emergency regulations and what is contemplated on the text of the project which is to allow curbside and home delivery as long as the suspension orders from the Governor are in place or if they are extended or if they get replaced by a new one. She states the emergency regulation will stay in place for 120 days but it is suggested that this project also goes out for public comment to adopt it as permanent regulation in case Covid-19 goes beyond the 120 days so long as the Governor has still suspended the Title 4 provisions.

Glen Brady restates what Joan Wilson just said to make sure he understands. He then talks to the board about the emergency regulations aspect of it, and entertaining the project as a permanent regulation (two actions).

Dana Walukiewicz moves to adopt the Emergency Regulations and the Findings of Emergency as presented.

Sara Erickson seconds.

A question from Dana Walukiewicz is answered by counsel.

Vote: Dana Walukiewicz, yes. Sara Erickson, yes. Glen Brady, yes.

Motion carries.

Glen Brady and Counsel discuss the term “permanent”. Glen Brady makes clear that the board does not intend to make these regulations permanent indefinitely, and that this is only in the “emergency” context. Joan Wilson clarifies that the regulations have a sunset date.

Dana Walukiewicz moves to open a regulations project and send the draft out for public comment.

Sara Erickson seconds.

A question from Sara Erickson regarding the Governor’s extension of the emergency declaration is answered by counsel.

Vote: Dana Walukiewicz, yes. Sara Erickson, yes. Glen Brady, yes.

Motion carries.

Some discussion between board Chair and counsel.

Glen Klinkhart asks a question answered by counsel.

11:42 meeting adjourns. No objections.
