NOTICE OF PROPOSED CHANGES ON HIGH SCHOOL CREDIT FOR ARMY NATIONAL
GUARD MILITARY TRAINING IN THE REGULATIONS OF
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed regulation would require school districts to award high school credit to eligible students who have completed Alaska Army National Guard military training.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code by adding a new regulation entitled "High school credit for Alaska Army National Guard military training," 4 AAC 06.077.

This proposal makes high school credit available for eligible third and fourth year high school students who have completed military training with the Alaska Army National Guard. Military training consists of Basic Combat Training, Advanced Individual Training courses, or both. The regulation requires school districts to award health/physical education credit and/or elective credit (e.g., CTE) for successful completion of the training, using the same hourly calculation that they use for other courses of study.

The Department of Education and Early Development invites the public to submit written comments during the written comment period, which begins with the date of this notice and ends on Tuesday, August 25, 2020, at 4:30 p.m. The written comment period closes in advance of the meeting of the State Board of Education and Early Development at which the board will consider the adoption of the proposed regulations. This allows the Department of Education and Early Development an opportunity to prepare changes based on written comment and to distribute any proposed changes to the board for its consideration prior to the meeting.

You may comment in writing on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments to the Commissioner's Office, Department of Education and Early Development, Attn: Regulations Review, 801 West Tenth Street, Suite 200, PO Box 110500, Juneau, Alaska 99811-0500. You may submit oral comments at this hearing, during this time only, using a call-in number to be provided for an Internet platform that has not yet been selected. DEED is currently considering a change in the online platform to be used for its teleconferenced State Board meetings, so the call-in information is not yet available. The call-in information, when it becomes available, will be published in a supplemental notice. The call-in information will also be included in the public notice for the September 16, 2020 meeting, which will be published in the *Anchorage Daily News* and the State of Alaska Online Public Notice System approximately 10 days before the September 16, 2020 meeting. The call-in information may also be obtained when it becomes available by calling the Office of the Commissioner at (907) 465-2802.

You may submit written questions relevant to the proposed action to Rochelle Lindley at rochelle.lindley@alaska.gov or the Department of Education and Early Development, Attn: Rochelle Lindley, PO Box 110500, Juneau, Alaska 99811-0500.
