That work was in progress when the project was closed. Contractors are encouraged to view the in-place field conditions during a pre-bid tour. To keep contractors and residents safe and conform to MOA Emergency Order #16, contractor site inspections will be limited to no more than 3 persons from one Contractors team at a time. Pre-bid tours will be conducted by Mark Moon, project manager and Steve Fishback, project architect. Tours will be conducted between 12/8/2020 and 12/17/2020. To schedule a tour please make request by email to Mark Moon [mark.moon@alaska.gov](mailto:mark.moon@alaska.gov) . Tours will be provided on a first come, first served basis. Please bring and wear face coverings and maintain social distancing throughout the walkthrough.
