

Request for Interest (RFI) # RFI 21-007

Department of Health & Social Services

The State of Alaska, Department of Health and Social Services, Division of Finance and Management Services is seeking letters of interest in providing current Checkpoint license renewals and maintaining the Checkpoint Firewalls licensing and warranty for another year.

Background

Since the vendor Checkpoint has chosen Six Degrees Consulting as sole source privileges, and we are needing to renew/reinstate our account to ensure our services do not lapse. As required we tried to go through our NASPO vendors for COTS utilizing CDWg, SHi and EnPointe now Insight to acquire price quotes on the renewal for our existing account with Check point and each replied back with not able to quote said product. A copy of the of the sole source letter from checkpoint Andrew Wright their SLED Manager and the quote for our renewal was provided.

Scope of Work

As part of the Office of Civil Rights corrective action plan, the Department of Health and Social Services is required to manage data within its systems and applications and provide reports to the OCR and auditors about the data's usage and access. In order to accomplish this, DHSS purchased Checkpoint firewalls to provide the department the ability to logically separate and classify department data residing on its systems and applications.

- Renew existing licensing, support, and maintenance as delineated in the below deliverables.

Consultant will prepare the following deliverables:

The vendor will provide at a minimum the following deliverables:

The department utilizes Check Point firewalls to protect sensitive data to be in compliance with HIP AA and with directives from the Office of Civil Rights. This purchase is for one year of support, continue licensing, with maintenance while maintaining the department's compliance posture as a HIPAA covered entity. The attached spreadsheet has a list of the required items DHSS is requesting. See below for our requested list of items and coverage.
