## SECTION 1. INTRODUCTION & INSTRUCTIONS

### SEC. 1.01 PURPOSE OF THE RFP

The State of Alaska, Office of Procurement and Property Management (OPPM), Department of Environmental Conservation, is soliciting proposals for a term contract from qualified professionals to review and comment on documents submitted to the Division of Spill Prevention and Response for activities conducted at contaminated sites and leaking underground storage tank sites, participate in project meetings, and review and comment on meeting minutes as requested by the Project Manager (PM).

### SEC. 1.02 BUDGET

The Division of Spill Prevention and Response estimates a budget of between **\$100,000** and **\$500,000** dollars for completion of this project. Proposals priced at more than **\$500,000** will be considered non-responsive.

Approval or continuation of a contract resulting from this RFP is contingent upon federal appropriation.

### SEC. 1.03 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than **4:00 P.M.** prevailing Alaska Time on **MAY 17, 2021**. Late proposals or amendments will be disqualified and not opened or accepted for evaluation.

### SEC. 1.04 PRIOR EXPERIENCE

In order for offers to be considered responsive offerors must meet these minimum prior experience requirements:

- Project staff working on this project must meet the definition of a Qualified Environmental Professional (QEP) as defined in 18 AAC 75.333, [Qualified Environmental Professionals and Qualified Samplers \(alaska.gov\)](#).
- Project staff working on this project must have a minimum of five years' experience as a QEP in Alaska at sites subject to DEC regulations in 18 AAC 75 Article 3 and 18 AAC 78, [SPAR Regulations \(alaska.gov\)](#).

An offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and rejected.

### SEC. 1.05 REQUIRED REVIEW

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

### SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will make that decision.

Procurement Officer: **Rick Cottrell**– email address at: **decidasprocurement@alaska.gov**.

### **SEC. 1.07 RETURN INSTRUCTIONS**

Offerors must submit their proposal electronically to the procurement officer in a single pdf file. The services proposal and cost proposal must be saved as separate PDF documents and emailed to **decidasprocurement@alaska.gov** as separate, clearly labeled attachments, such as “Firm Name – Services Proposal.pdf” and “Firm Name – Cost Proposal.pdf”. The email must contain the RFP number in the subject line.

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Like sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror’s responsibility to contact the issuing agency via email to **decidasprocurement@alaska.gov** to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

### **SEC. 1.08 ASSISTANCE TO OFFERORS WITH A DISABILITY**

Offerors with a disability may receive accommodation regarding the means of communicating this RFP or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of proposals.

### **SEC. 1.09 AMENDMENTS TO PROPOSALS**

Amendments to or withdrawals of proposals will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of proposals. No amendments or withdrawals will be accepted after the deadline unless they are in response to the state's request in accordance with 2 AAC 12.290.

### **SEC. 1.10 AMENDMENTS TO THE RFP**

If an amendment is issued before the deadline for receipt of proposals, it will be provided to all who were notified of the RFP and to those who have registered with the procurement officer after receiving the RFP from the State of Alaska Online Public Notice website.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

**SEC. 1.11 RFP SCHEDULE**

RFP schedule set out herein represents the state's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of proposals, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Time.

## **SECTION 2. BACKGROUND INFORMATION**

### **SEC. 2.01 BACKGROUND INFORMATION**

The Division of Spill Prevention and Response is charged with overseeing response actions following a release of oil or other hazardous substances within Alaska. As part of the required response actions, responsible parties and their consultants must submit work plans and reports to SPAR for review and comment to ensure compliance with 18 AAC 75 Article 3 and 18 AAC 78. These documents must also comply with the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) when applicable. These documents include work plans and reports for various activities including site characterization, cleanup, and monitoring; sampling and analysis plans; soil and water management plans, construction management plans, feasibility studies, after action reports, and other documents related to compliance with 18 AAC 75 Article 3 and/or 18 AAC 78.

## **SECTION 3. SCOPE OF WORK & CONTRACT INFORMATION**

### **SEC. 3.01 SCOPE OF WORK**

The Department of **ENVIRONMENTAL CONSERVATION**, Division of Spill Prevention and Response, is soliciting proposals for technical assistance in reviewing and commenting on documents submitted to the Division of Spill Prevention and Response for activities conducted at contaminated sites, participate in project meetings, and review and comment on meeting minutes as requested by the SPAR PM.

The purpose of this contract is to provide technical support for SPAR project managers (PMs) in the document review and comment process on an as-needed basis; meet with SPAR PMs to discuss technical issues; and attend meetings with SPAR PMs.

After documents are provided to the contractor for review under this contract, the contractor will hold a brief meeting with the SPAR PM after which review comments would be expected approximately 21 days after the document was provided.

Project-specific scopes of work (SOW) under this contract will be developed as funding becomes available and as the need presents itself. For the purposes of this RFP, please assume 40 project management hours and 500 qualified environmental professional service hours will be expended for the full term of the contract.

### **SEC. 3.02 CONTRACT TERM AND WORK SCHEDULE**

The contracts awarded under this RFP will be a one-year term contract with four-one-year optional renewals. Renewals will be exercised solely at the discretion of the state. The Department of Environmental Conservation makes no guarantee as to the amount of the work that will be available for technical assistance and planning for response and emergency response activities related to oil spills and substance releases in Alaska during the initial period of the contract and any subsequent renewals. Work will be requested by DEC as needed for technical support in the response to an emergency or oil spill.

It is anticipated that one or more contracts may be awarded. The state does not guarantee any minimum or maximum use of the service.

Unless otherwise provided in this RFP, the State and the successful offeror/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the procurement officer will provide notice to the contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

### **INDIVIDUAL PROJECTS**

The Department will issue project specific Scope of Work (SOW) requests for proposals for individual projects to the contractor selected from this RFP.

The scope of work will provide the background on each project and will establish the objectives, tasks, deliverables, response format and schedule. The contractor must respond with a cost proposal and narrative which outlines the approach to completing the project and meeting the objectives of the task description, a list of individuals who shall be working on the specific projects and shall disclose if there is a potential conflict

of interest for that particular project. These projects will be awarded to the lowest cost proposal provided by the Term Contractors.

### **NOTICE TO PROCEED**

A secondary contract issued under the term contract will be a scope of work based awarded through the issuance of a Notice of Proceed (NTP). A NTP is a contract award document used by DEC to award funding for the performance of the Scope of Work, during a specified performance period at an agreed price. A project issued by the department establishes deliverables and schedules for the completion of the SOW. The contract, awarded via the NTP, includes the contractor's technical description of the project, cost proposals and the project task, to include the terms, conditions, requirements, schedule, deliverables, and scope of work.

If more than one contract is awarded under this RFP, award of each project will be made to the contractor that provides the lowest cost to a requested project. If there is a conflict of interest or the first contractor is unable to perform the services, then the second contractor will be awarded the project.

### **SEC. 3.03 DELIVERABLES**

The contractor shall be required to provide the following deliverables:

After documents are provided to the Contractor for review under this contract, the contractor must hold a brief meeting with the SPAR PM after which review comments would be expected approximately 21 days after the document was provided.

### **SEC. 3.04 PROPOSED PAYMENT PROCEDURES**

The State will make payments based on services rendered to DEC. Each billing must consist of an invoice and progress report. No payment will be made until the progress report and invoice has been approved by the Project Director.

### **SEC. 3.05 PROMPT PAYMENT FOR STATE PURCHASES**

The state is eligible to receive a **5%** discount for all invoices paid within **15** business days from the date of receipt of the commodities or services and/or a correct invoice, whichever is later. The discount shall be taken on the full invoice amount. The state shall consider payment being made as either the date a printed warrant is issued or the date an electronic funds transfer (EFT) is initiated.

### **SEC. 3.06 CONTRACT PAYMENT**

No payment will be made until the contract is approved by the Commissioner of the Department of Environmental Conservation or the Commissioner's designee. Under no conditions will the State be liable for the payment of any interest charges associated with the cost of the contract.

The State is not responsible for and will not pay local, State, or federal taxes. All costs associated with the contract must be stated in U.S. currency.

Any single contract payment of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

### **SEC. 3.07 MANDATORY REPORTING**

The contractor must provide a quarterly usage report to the procurement officer in an electronic format (Excel). The report must contain at least the following information: purchasing entity, description of items

and/or services purchased, date of purchase, contract price, retail price, extended contract and retail price, and savings.

These reports are due 30 days after the end of each quarter. The contractor's failure to provide these reports as required may result in contract default action.

State Fiscal Quarter 1 (Jul 1 - Sept 30):	Oct 31
State Fiscal Quarter 2 (Oct 1 - Dec 31):	Jan 31
State Fiscal Quarter 3 (Jan 1 - Mar 31):	Apr 30
State Fiscal Quarter 4 (Apr 1 - Jun 30):	Jul 31

Any quarter with zero sales must be reported as zero sales. This may be done via email to the procurement officer.

### **SEC. 3.08 LOCATION OF WORK**

The location(s) the work is to be performed, completed and managed are at the contractor's primary place of business.

The State will not provide workspace for the contractor. The contractor must provide its own workspace.

By signature on their proposal, the offeror certifies that all services provided under this contract by the contractor and all subcontractors shall be performed in the United States.

If the offeror cannot certify that all work will be performed in the United States, the offeror must contact the procurement officer in writing to request a waiver at least 10 days prior to the deadline for receipt of proposals.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the proposal as non-responsive or cancel the contract.

Subcontractors will not be allowed.

### **SEC. 3.11 JOINT VENTURES**

NOT APPLICABLE

**SEC. 3.12 RIGHT TO INSPECT PLACE OF BUSINESS**

At reasonable times, the state may inspect those areas of the contractor's place of business that are related to the performance of a contract. If the state makes such an inspection, the contractor must provide reasonable assistance.

**SEC. 3.13 CONTRACT PERSONNEL**

Any change of the project team members or subcontractors named in the proposal must be approved, in advance and in writing, by the project director or procurement officer. Changes that are not approved by the state may be grounds for the state to terminate the contract.

**SEC. 3.14 INSPECTION & MODIFICATION - REIMBURSEMENT FOR UNACCEPTABLE DELIVERABLES**

The contractor is responsible for the completion of all work set out in the contract. All work is subject to inspection, evaluation, and approval by the project director. The state may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. The project director or procurement officer may instruct the contractor to make corrections or modifications if needed in order to accomplish the contract's intent. The contractor will not unreasonably withhold such changes.

Substantial failure of the contractor to perform the contract may cause the state to terminate the contract. In this event, the state may require the contractor to reimburse monies paid (based on the identified portion of unacceptable work received) and may seek associated damages.

**SEC. 3.15 CONTRACT CHANGES - UNANTICIPATED AMENDMENTS**

During the course of this contract, the contractor may be required to perform additional work. That work will be within the general scope of the initial contract. When additional work is required, the project director will provide the contractor a written description of the additional work and request the contractor to submit a firm time schedule for accomplishing the additional work and a firm price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments per AS 36.30.400.

The contractor will not commence additional work until the procurement officer has secured any required state approvals necessary for the amendment and issued a written contract amendment, approved by the Commissioner of the Department of Environmental Conservation or the Commissioner's designee.

Examples of confidential information include, but are not limited to: technology infrastructure, architecture, financial data, trade secrets, equipment specifications, user lists, passwords, research data, and technology data (infrastructure, architecture, operating systems, security tools, IP addresses, etc).

If confidential information is requested to be disclosed by the contractor pursuant to a request received by a third party and such disclosure of the confidential information is required under applicable state or federal law, regulation, governmental or regulatory authority, the contractor may disclose the confidential information after providing the state with written notice of the requested disclosure (to the extent such notice to the state is permitted by applicable law) and giving the state opportunity to review the request. If the contractor receives no objection from the state, it may release the confidential information within 30 days. ## SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION

### SEC. 5.01 SUMMARY OF EVALUATION PROCESS

The state will use the following steps to evaluate and prioritize proposals:

- 1) Proposals will be assessed for overall responsiveness. Proposals deemed non-responsive will be eliminated from further consideration.
- 2) A proposal evaluation committee (PEC), made up of at least three state employees or public officials, will evaluate specific parts of the responsive proposals.
- 3) The Submittal Forms, from each responsive proposal, will be sent to the PEC. No cost information will be shared or provided to the PEC.
- 4) The PEC will independently evaluate and score the documents based on the degree to which they meet the stated evaluation criteria.
- 5) After independent scoring, the PEC will have a meeting, chaired by the procurement officer, where the PEC may have a group discussion prior to finalizing their scores.
- 6) The evaluators will submit their final individual scores to the procurement officer, who will then compile the scores and calculate awarded points as set out in Section 5.03.
- 7) The procurement officer will calculate scores for cost proposals as set out in Section 5.08 and add those scores to the awarded points along with factoring in any Alaska preferences.
- 8) The procurement officer may ask for best and final offers from offerors susceptible for award and revise the cost scores accordingly.
- 9) The state will then conduct any necessary negotiations with the highest scoring offeror and award a contract if the negotiations are successful.

### SEC. 5.02 EVALUATION CRITERIA

Proposals will be evaluated based on their overall value to state, considering both cost and non-cost factors as described below. Note: An evaluation may not be based on discrimination due to the race, religion, color, national origin, sex, age, marital status, pregnancy, parenthood, disability, or political affiliation of the offeror.

Overall Criteria	Weight
Responsiveness	Pass/Fail

Qualifications Criteria		Weight
Experience and Qualifications	(Submittal Form B)	350
Understanding of the Project	(Submittal Form C)	50
Methodology Used for the Project	(Submittal Form D)	50
Management Plan for the Project	(Submittal Form E)	50
Total		500

Cost Criteria		Weight
Cost Proposal	(Submittal Form F)	400
Total		400
Preference Criteria		Weight
Alaska Offeror Preference (if applicable)		100
Total		100

**TOTAL EVALUATION POINTS AVAILABLE: 1000**

### SEC. 5.03 SCORING METHOD AND CALCULATION

The PEC will evaluate responses against the questions set out in Sections 5.04 through 5.07 and assign a single score for each section. Offerors' responses for each section will be rated comparatively against one another with each PEC member assigning a score of 1, 5, or 10 (with 10 representing the highest score, 5 representing the average score, and 1 representing the lowest score). Responses that are similar or lack dominant information to differentiate the offerors from each other will receive the same score. Therefore, it is the offeror's responsibility to provide dominant information and differentiate themselves from their competitors.

After the PEC has scored each section, the scores for each section will be totaled and the following formula will be used to calculate the amount of points awarded for that section:

$$\frac{\text{Offeror Total Score}}{\text{Highest Total Score Possible}} \times \text{Max Points} = \text{Points Awarded}$$

**Example (Max Points for the Section = 100):**

	PEC Member 1 Score	PEC Member 2 Score	PEC Member 3 Score	PEC Member 4 Score	Combined Total Score	Points Awarded
<b>Offeror 1</b>	10	5	5	10	30	75
<b>Offeror 2</b>	5	5	5	5	20	50
<b>Offeror 3</b>	10	10	10	10	40	100

**Offeror 1** was awarded 75 points:

$$\frac{\text{Offeror Total Score (30)}}{\text{Highest Total Score Possible (40)}} \times \text{Max Points (100)} = \text{Points Awarded (75)}$$

**Offeror 2** was awarded 50 points:

$$\frac{\text{Offeror Total Score (20)}}{\text{Highest Total Score Possible (40)}} \times \text{Max Points (100)} = \text{Points Awarded (50)}$$

Highest Total Score Possible (40)

**Offeror 3** was awarded 100 points:

Offeror Total Score (40)

\_\_\_\_\_ x Max Points (100) = Points Awarded (100)  
Highest Total Score Possible (40)

## **SEC. 5.04 EXPERIENCE AND QUALIFICATIONS**

*All Submittal Form shall be kept anonymous and must not contain any names instead (Use Ex words: “Title”, “Position”, “The Company”)*

This portion of the offeror’s proposal will be evaluated against the following questions:

- a) Do the individuals (Project Title, Project Position) assigned to the project have experience on similar projects?
- b) How extensive is the applicable education and experience of the personnel (Project Title, Project Position) designated to work on the project?
- c) How successful is the general history of the firm (The Company) regarding timely and successful completion of projects?

## **SEC. 5.05 UNDERSTANDING OF THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well has the offeror demonstrated a thorough understanding of the purpose and scope of the project?
- 2) How well has the offeror identified pertinent issues and potential problems related to the project?
- 3) To what degree has the offeror demonstrated an understanding of the deliverables the state expects it to provide?
- 4) Has the offeror demonstrated an understanding of the state's time schedule and can meet it?

## **SEC. 5.06 METHODOLOGY USED FOR THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How comprehensive is the methodology and does it depict a logical approach to fulfilling the requirements of the RFP?
- 2) Are each of the tasks addressed in the methodology?
- 3) How well does the methodology match and achieve the objectives set out in the scope of work?

## **SEC. 5.07 MANAGEMENT PLAN FOR THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well does the management plan support all of the project requirements and logically lead to the deliverables required in the RFP?
- 2) How well is accountability completely and clearly defined?
- 3) Is the organization of the project team clear?
- 4) How well does the management plan illustrate the lines of authority and communication?
- 5) To what extent does the offeror already have the hardware, software, equipment, and licenses necessary to perform the contract?
- 6) Does it appear that the offeror can meet the schedule set out in the RFP?
- 7) Has the offeror gone beyond the minimum tasks necessary to meet the objectives of the RFP?
- 8) To what degree is the proposal practical and feasible?
- 9) To what extent has the offeror identified potential problems?

## SEC. 5.08 CONTRACT COST (COST PROPOSAL)

Overall, a minimum of **40%** of the total evaluation points will be assigned to cost. After the procurement officer applies any applicable preferences, the offeror with the lowest total cost will receive the maximum number of points allocated to cost per 2 AAC 12.260(c). The point allocations for cost on the other proposals will be determined using the following formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

### Example (Max Points for Contract Cost = 400):

#### Step 1

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

#### Step 2

In this example, the RFP allotted 40% of the available 1,000 points to cost. This means that the lowest cost will receive the maximum number of points.

**Offeror #1 receives 400 points.**

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 400 points.

**Offeror #2 receives 374.3 points.**

$$\$40,000 \text{ lowest cost} \times 400 \text{ maximum points for cost} = 16,000,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = 374.3$$

**Offeror #3 receives 336.8 points.**

$\$40,000 \text{ lowest cost} \times 400 \text{ maximum points for cost} = 16,000,000 \div \$47,500 \text{ cost of Offeror \#3's proposal} = 336.8$

**SEC. 5.09 APPLICATION OF PREFERENCES**

Certain preferences apply to all state contracts, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the RFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply and provide examples of how to calculate the preferences are available at the following website:

<http://doa.alaska.gov/dgs/pdf/pref1.pdf>

- Alaska Products Preference - AS 36.30.332
- Recycled Products Preference - AS 36.30.337
- Local Agriculture and Fisheries Products Preference - AS 36.15.050
- Employment Program Preference - AS 36.30.321(b)
- Alaskans with Disabilities Preference - AS 36.30.321(d)
- Alaska Veteran's Preference - AS 36.30.321(f)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.**

**SEC. 5.10 ALASKA BIDDER PREFERENCE**

An Alaska Bidder Preference of 5% will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;
- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50 and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11 and all partners are residents of the state; and
- 5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

**Alaska Bidder Preference Certification Form**

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

**SEC. 5.11 ALASKA VETERAN PREFERENCE**

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans;  
or

In accordance with AS 36.30.321(i), the bidder must also add value by actually performing, controlling, managing, and supervising the services provided, or for supplies, the bidder must have sold supplies of the general nature solicited to other state agencies, other government, or the general public.

**Alaska Veteran Preference Certification**

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

**SEC. 5.12 ALASKA OFFEROR PREFERENCE**

Per 2 AAC 12.260, if an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points, which will be added to the offeror's overall evaluation score.

**Example:****Step 1**

Determine the number of points available to qualifying offerors under this preference:

1000 Total Points Available in RFP x 10% Alaska Offeror preference = 100 Points for the preference

**Step 2**

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska Offeror preference. For the purpose of this example, presume that all proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	830 points	No Preference	0 points
Offeror #2	740 points	Alaska Offeror Preference	100 points
Offeror #3	800 points	Alaska Offeror Preference	100 points

### Step 3

Add the applicable Alaska Offeror preference amounts to the offerors' scores:

Offeror #1	830 points
Offeror #2	840 points (740 points + 100 points)
<b>Offeror #3</b>	<b>900 points (800 points + 100 points)</b>

**Offeror #3** is the highest scoring Offeror.

If modifications are made as a result of these discussions they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

## **SEC. 6.19 CONTRACT NEGOTIATION**

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal. If contract negotiations are commenced, they may be held as a teleconference or WebEx.

## **SEC. 6.20 FAILURE TO NEGOTIATE**

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

## **SEC. 6.21 FEDERALLY IMPOSED TARIFFS**

Changes in price (increase or decrease) resulting directly from a new or updated federal tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The contractor must promptly notify the procurement officer in writing of any new, increased, or decreased federal excise tax or duty that may result in either an increase or decrease in the contract price and shall take appropriate action as directed by the procurement officer.
- **After-imposed or Increased Taxes and Duties:** Any federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:

- a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract;
- b) The contractor warrants, in writing, that no amount of the newly imposed federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in federal excise tax or duty for goods or services under the contract, except social security or other employment [taxes](#), that the contractor is required to pay or bear, or does not obtain a refund of, through the contractor's fault, negligence, or failure to follow instructions of the procurement officer.
- **State's Ability to Make Changes:** The state reserves the right to request verification of federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.
- **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

## SEC. 6.22 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."

## APPENDIX A

### GENERAL PROVISIONS

#### Article 1. Definitions.

- 1.1 In this contract and appendices, "Project Director" or "Agency Head" or "Procurement Officer" means the person who signs this contract on behalf of the Requesting Agency and includes a successor or authorized representative.
- 1.2 "State Contracting Agency" means the department for which this contract is to be performed and for which the Commissioner or Authorized Designee acted in signing this contract.

#### Article 2. Inspections and Reports.

- 2.1 The department may inspect, in the manner and at reasonable times it considers appropriate, all the contractor's facilities and activities under this contract.
- 2.2 The contractor shall make progress and other reports in the manner and at the times the department reasonably requires.

#### Article 3. Disputes.

- 3.1 If the contractor has a claim arising in connection with the contract that it cannot resolve with the State by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – 632.

#### Article 4. Equal Employment Opportunity.

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, and marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.
- 4.2 The contractor shall state, in all solicitations or advertisements for employees to work on State of Alaska contract jobs, that it is an equal opportunity employer and that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, disability, sex, and marital status, changes in marital status, pregnancy or parenthood.
- 4.3 The contractor shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising the labor union or workers' compensation representative of the contractor's commitments under this article and post copies of the notice in conspicuous places available to all employees and applicants for employment.
- 4.4 The contractor shall include the provisions of this article in every contract, and shall require the inclusion of these provisions in every contract entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.
- 4.6 Full cooperation in paragraph 4.5 includes, but is not limited to, being a witness in any proceeding involving questions of unlawful discrimination if that is requested by any official or agency of the State of Alaska; permitting employees of the contractor to be witnesses or complainants in any proceeding involving questions of unlawful discrimination, if that is requested by any official or agency of the State of Alaska; participating in meetings; submitting periodic reports on the equal employment aspects of present and future employment; assisting inspection of the contractor's facilities; and promptly complying with all State directives considered essential by any office or agency of the State of Alaska to insure compliance with all federal and State laws, regulations, and policies pertaining to the prevention of discriminatory employment practices.
- 4.7 Failure to perform under this article constitutes a material breach of contract.

#### Article 5. Termination.

The Project Director, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.

#### Article 6. No Assignment or Delegation.

The contractor may not assign or delegate this contract, or any part of it, or any right to any of the money to be paid under it, except with the written consent of the Project Director and the Agency Head.

#### Article 7. No Additional Work or Material.

No claim for additional services, not specifically provided in this contract, performed or furnished by the contractor, will be allowed, nor may the contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Project Director and approved by the Agency Head.

**Article 8. Independent Contractor.**

The contractor and any agents and employees of the contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

**Article 9. Payment of Taxes.**

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

**Article 10. Ownership of Documents.**

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the contractor. The contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. Nevertheless, if the contractor does mark such documents with a statement suggesting they are trademarked, copyrighted, or otherwise protected against the State's unencumbered use or distribution, the contractor agrees that this paragraph supersedes any such statement and renders it void. The contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. Unless otherwise directed by the Project Director, the contractor may retain copies of all the materials.

**Article 11. Governing Law; Forum Selection**

This contract is governed by the laws of the State of Alaska. To the extent not otherwise governed by Article 3 of this Appendix, any claim concerning this contract shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

**Article 12. Conflicting Provisions.**

Unless specifically amended and approved by the Department of Law, the terms of this contract supersede any provisions the contractor may seek to add. The contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The contractor specifically acknowledges and agrees that, among other things, provisions in any documents it seeks to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) limit liability of the contractor for acts of contractor negligence, are expressly superseded by this contract and are void.

**Article 13. Officials Not to Benefit.**

Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

**Article 14. Covenant against Contingent Fees.**

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

**Article 15. Compliance.**

In the performance of this contract, the contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

**Article 16. Force Majeure:**

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

## Instructions for Certification

1. By signing and submitting this Proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this class is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this Proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "Proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of Federal assistance funds agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
6. 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.

## **Attachment 4: System for Award Management (SAM) Helpful Information**

<https://www.sam.gov/SAM/>

Federal regulations require vendors to be registered in the System for Award Management (SAM) in order to receive awards and payments on federal contracts. (FAR 52.204-7). SAM is a composite procurement system that replaces several government legacy systems, including the Central Contractor Registry (CCR) and serves as a common source of vendor data for government agencies. Registration in SAM is free, and extensive help files are available on the site to assist you with the registration process. SAM registration provides your company the added benefit of being visible to federal, state, and local agencies, as well as other contractors, searching for the products and services your company has to offer.

SAM is maintained by the General Services Administration, but personalized assistance with registration and other government procurement related matters is available through the nationwide network of Procurement Technical Assistance Centers or “PTACs”. To find the PTAC office nearest you, visit the national PTAC website at <http://www.aptac-us.org>. You can also find a listing of PTAC offices by state on the Defense Logistics Agency small business website at the following URL: <http://www.dla.mil/smallbusiness/pages/ptap.aspx>.

In Alaska, contact the Alaska Procurement Technical Assistance Center via their website at <http://www.ptacalaska.org>, or by calling (907) 274-7232 in Anchorage, or via their statewide toll-free number at 1(800) 478-7232. Alaska PTAC staff will assist you with your SAM registration and can answer any other questions you have regarding federal, state, or local procurement opportunities and requirements.

**Vendors registered in SAM:**

Please provide your business name, Data Universal Numbering System (DUNS®) number, Tax ID, and DoD issued CAGE code to enable us to pull your information for our records.

**Vendors NOT registered in SAM:**

You will first need to obtain a DUNS® number from Dun & Bradstreet (DnB) before registering. A DUNS® number is required for SAM registration and is free for vendors pursuing federal contracts. You can apply for a DUNS® number online through the DnB website at <http://www.dnb.com>; or by using the webform located at <https://fedgov.dnb.com/webform>

Issuance and activation of a DUNS® number is usually completed within 24 hours. If you need assistance with obtaining a DUNS® number, please contact your local PTAC office.
