

# Request for Information

**RFI # 18-351-21**

State of Alaska

Office of Procurement and Property Management (OPPM)

Department of Environmental Conservation

Division of Water

**Date Issued: April 30, 2021**

## **ZCORR DIGITAL CORRELATING LOGGERS**

### **Introduction:**

The State of Alaska, Office of Procurement and Property Management (OPPM), Department of Environmental Conservation, Division of Water, Remote Maintenance Worker (RMW) Program is seeking information for ZCorr Digital Correlating Loggers Systems.

### **Background Information:**

The Department of Environmental Conservation, RMW Program utilizes the ZCorr Digital Correlating loggers to investigate water distribution systems for potential water leaks or water pressure related issues for all of Alaska. These units collect data with the provided software that the RMW Program will use to generate required reports to Public entities throughout the State including Federal Agencies.

### **Summary:**

This RFI is to identify distributors that can provide the ZCorr (8) digital data logger system, parts, supplies, offsite maintenance, and calibration. All items and service must meet the instrument manufacture's specifications as stated in the applicable manufacture instrument manual.

The information provided in the RFI is subject to change and is not binding on DEC. DEC has not made a commitment to procure any of the services discussed, and release of this RFI should not be construed as such a commitment or as authorization to incur cost for which reimbursement would be required or sought. All submissions become DEC property and will not be returned.

### **Important Notice:**

DEC does not intend to award a contract from this RFI, nor will DEC be financially responsible for the preparation, or administrative costs incurred in responses to this RFI. All costs associated with responding will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in any future RFP, if any is issued. DEC may or may not choose to meet with potential offerors to get further clarification of potential capability to meet requirements. the RFI does not extend any rights to prospective vendors or obligate the state to conduct a solicitation or purchase any goods or services.

### **Response Information:**

Responses to this RFI are required by **5/11/2021, at 4:00 p.m. AKST.**

Responses should include the following:

- a) Name, mailing address, phone number, and e-mail of designated point of contact.
- b) Responses to the each of the number items identified above.
- c) Response must include detail on experience and qualifications, the products or services themselves, and why your products or services will work for the state.

**Procurement Officer contact information:**
