

# Alaska Redistricting Board

Proposed 40-District Map

September 18, 2021

## Coalition Presenters

- Sarah Obed: Senior Vice President of External Affairs, Doyon, Limited.
- Nathaniel Amdur-Clark: Partner, Sonosky, Chambers, Sachse, Miller & Monkman, LLP.
- Marna Sanford: Principal, Tuuka, LLC.

# Coalition Partners

Our coalition represents a broad range of interests across the State of Alaska, with a particular focus on ensuring effective and fair representation for Rural Alaska.

Doyon, Limited  
Tanana Chiefs Conference  
Fairbanks Native Association  
Sealaska  
Ahtna, Inc.

We have also consulted with — and received meaningful input from — stakeholders across the State, and taken into consideration testimony presented to the Board.

# Mapping Considerations

---

## **Constitutional Requirements**

Compactness, Contiguity, Relative Socio-Economic Integration, and Equal Representation.

---

Local government boundaries

---

ANCSA boundaries

---

Natural geologic features

---

Communities of interest

---

Population Deviations

---

# Population Deviations

---

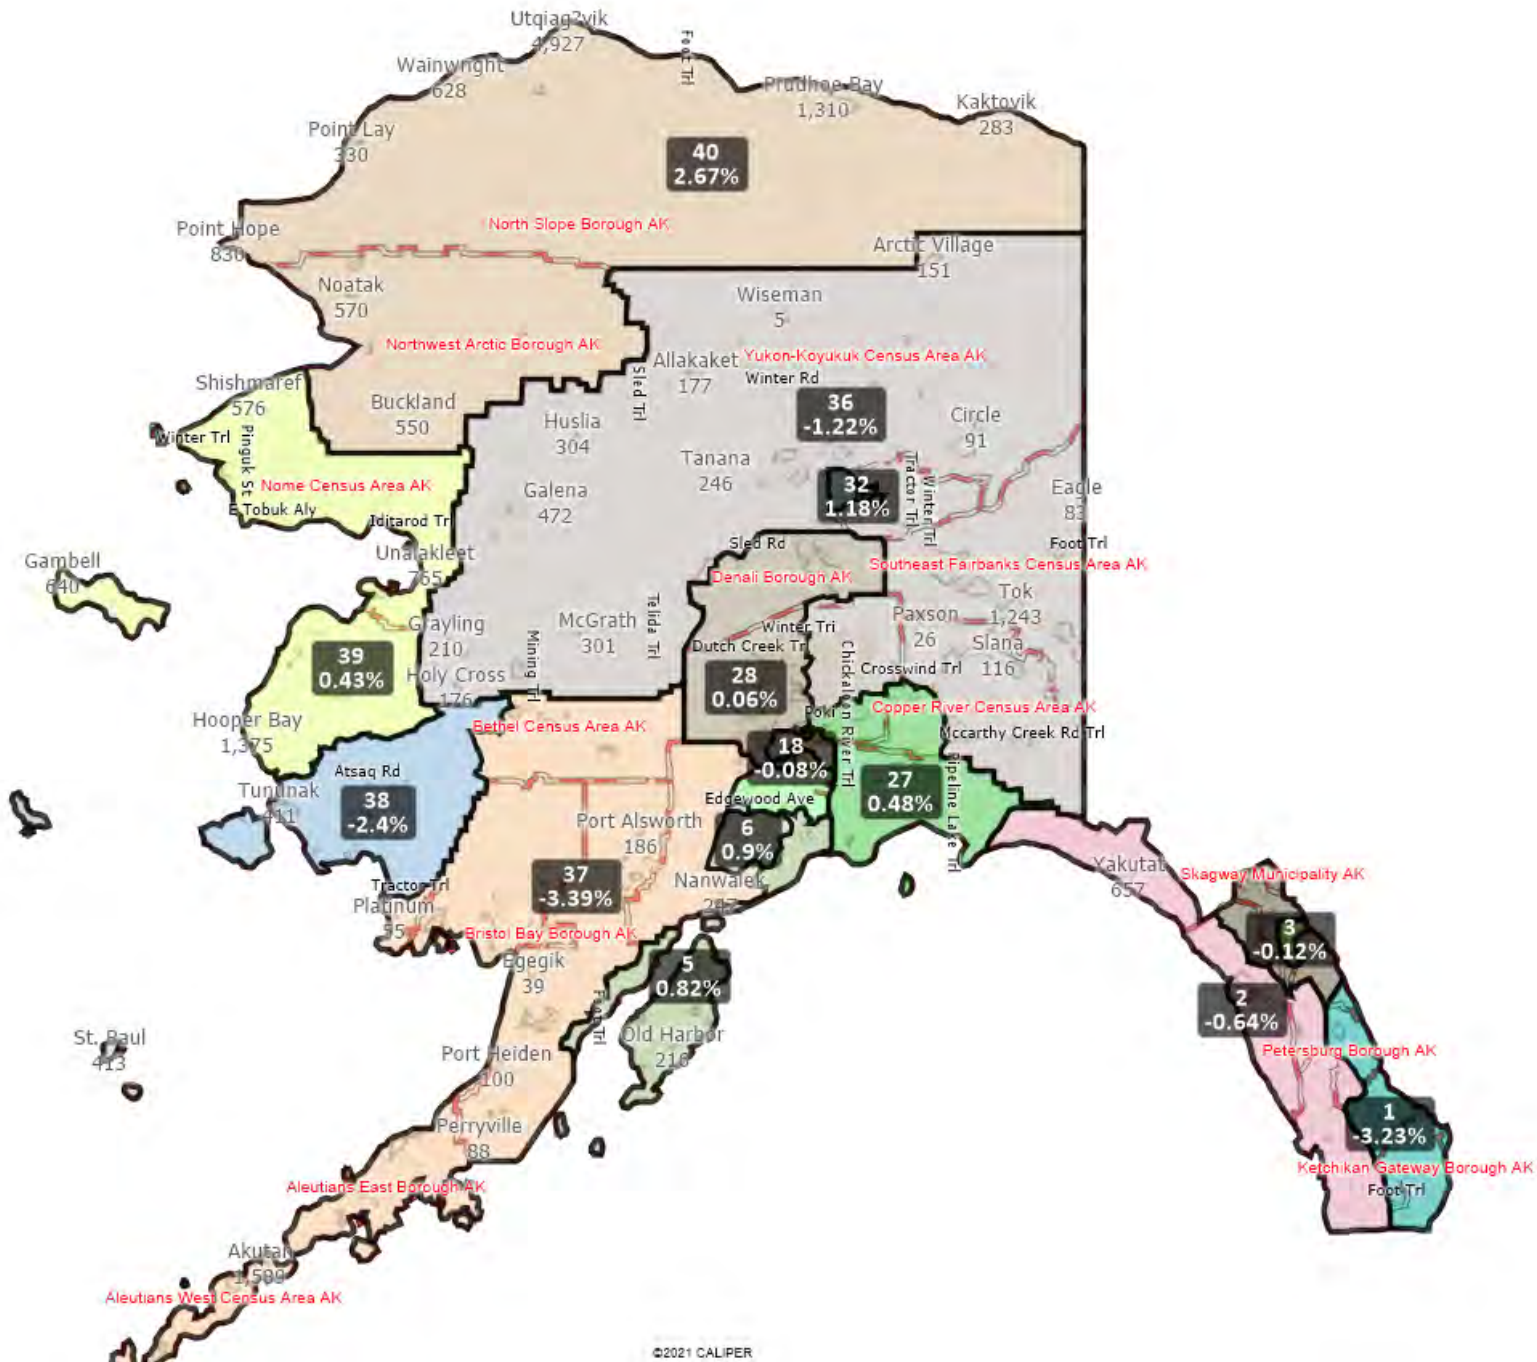

“Each [house district] shall contain a population **as near as practicable** to the quotient obtained by dividing the population of the state by forty.” Article VI § 6.

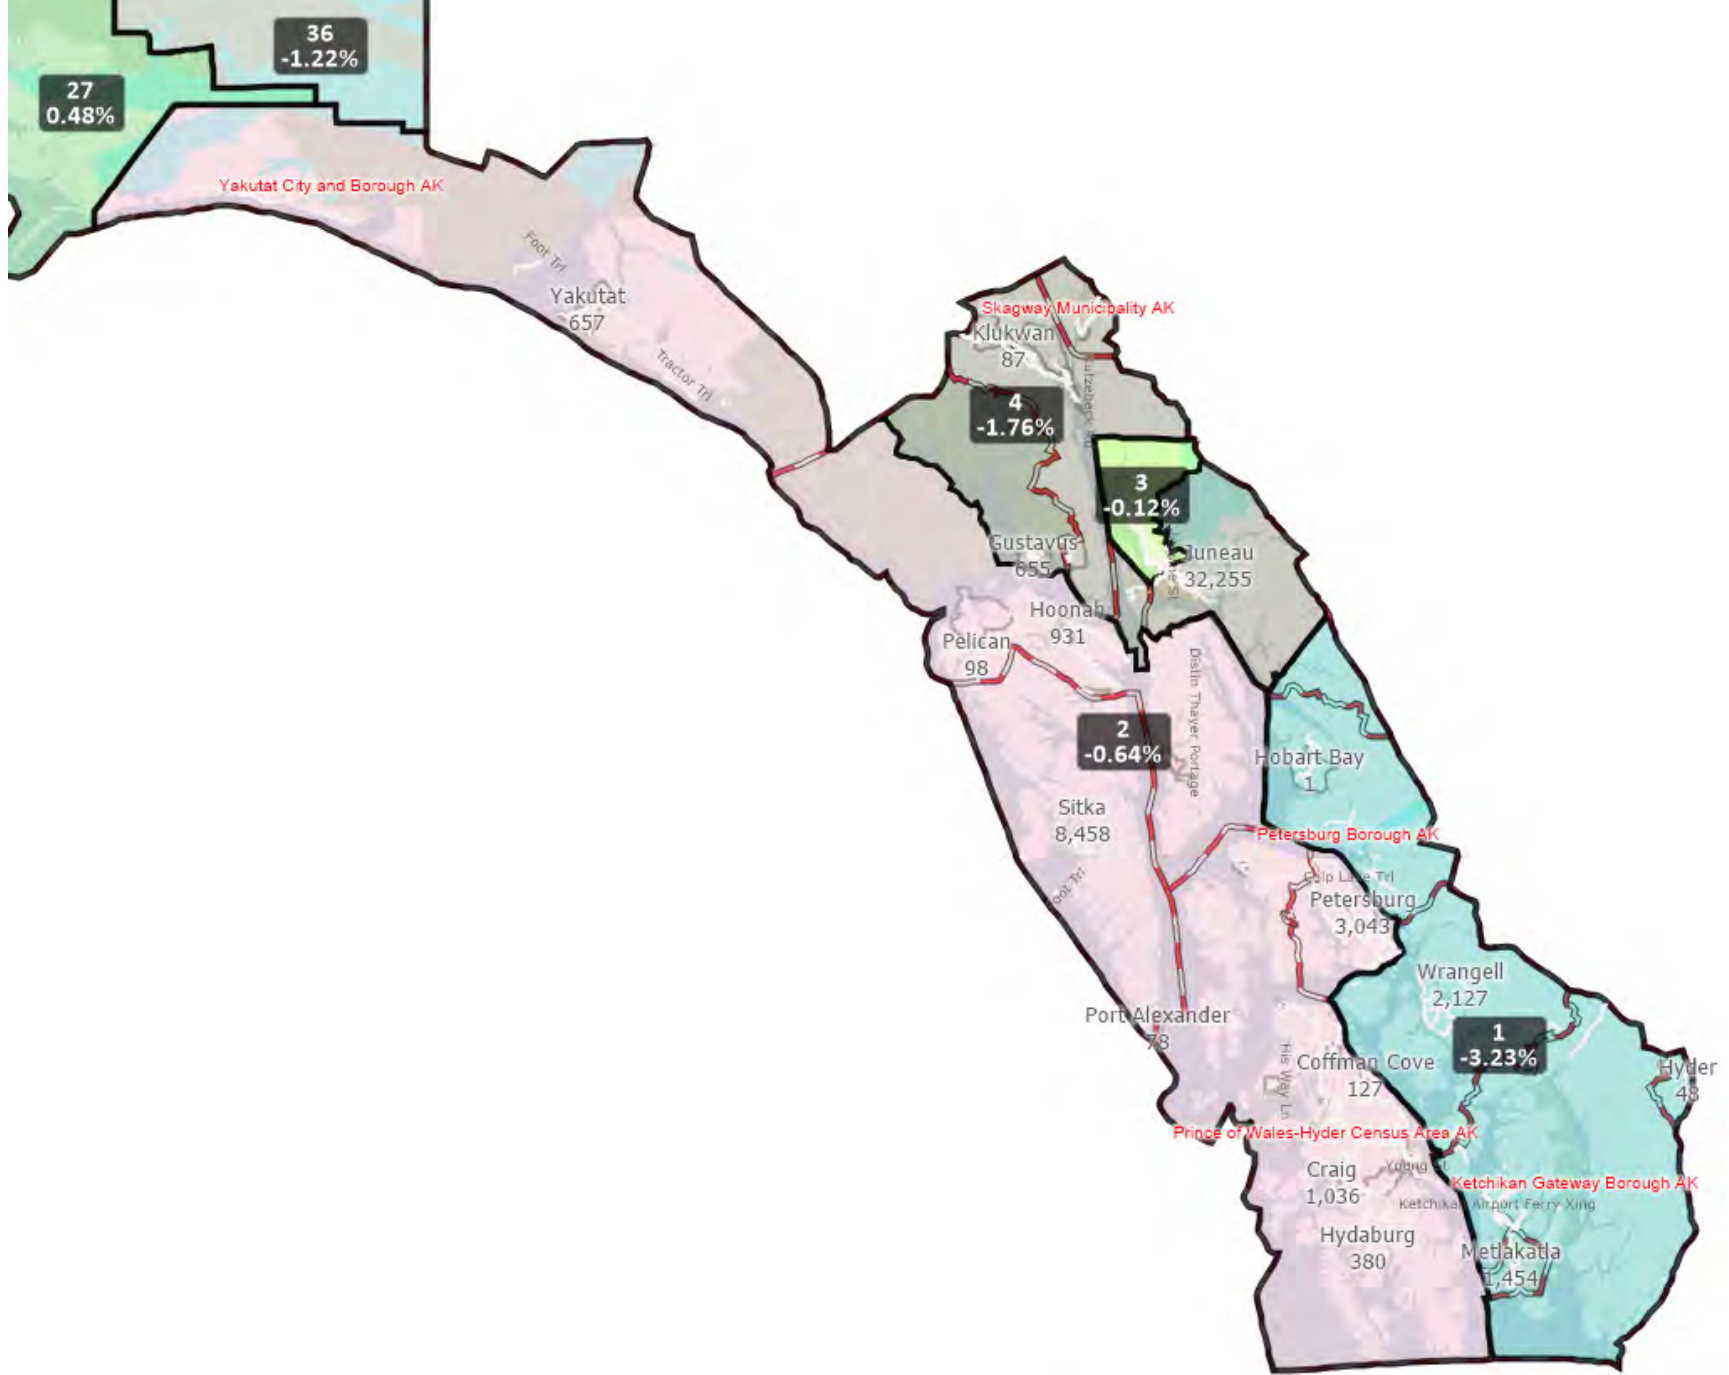

---

“[T]he Alaska Supreme Court acknowledged that in urban areas in particular the population is sufficiently dense and evenly spread to allow **minimal population deviations**, especially in light of the newly available technological advances.”

*In re: 2011 Redistricting Cases* (2013).
