### UV STERILIZER

#### **Introduction:**

The State of Alaska, Office of Procurement and Property Management (OPPM), Department of Environmental Conservation, Division of Environmental Health, is seeking information for a UV sterilizer.

#### **Background Information:**

The Alaska Department of Environmental Conservation (DEC) is the state shellfish authority (SSA) under the National Shellfish Sanitation Program (NSSP). The Alaska State Environmental Health Laboratory (EHL) is designated as the principal state shellfish laboratory. As such, the EHL must maintain analytical capabilities to include water purification devices that comply with media preparation and testing methods.

#### **Summary:**

This RFI is to identify sources that could provide a UV sterilizer, 5 x 254 nm wavelength bulbs but also capable of using 306 nm, and 368 nm bulbs as well, 120V, UL Listed, and chamber size approximately 12.5 in x 6.5.

The information provided in the RFI is subject to change and is not binding on DEC. DEC has not made a commitment to procure any of the services discussed, and release of this RFI should not be construed as such a commitment or as authorization to incur cost for which reimbursement would be required or sought. All submissions become DEC property and will not be returned.

#### **Important Notice:**

DEC does not intend to award a contract from this RFI, nor will DEC be financially responsible for the preparation, or administrative costs incurred in responses to this RFI. All costs associated with responding will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in any future RFP, if any is issued. DEC may or may not choose to meet with potential offerors to get further clarification of potential capability to meet requirements. The RFI does not extend any rights to prospective vendors or obligate the state to conduct a solicitation or purchase any goods or services.

**Response Information:**

Responses to this RFI are required by **September 27, at 4:00 p.m. AKST.**

Responses should include the following:

- a) Name, mailing address, phone number, and e-mail of designated point of contact.
- b) Responses to the each of the items identified above.
- c) Response must include details on experience and qualifications, the products or services themselves, and why your products or services will work for the state.
