Re: Amendment 1  
RFP 22-VSW-WAA-005  
Construction of Modular Water Treatment Plant and Washeteria  
Wales, Alaska  
RFP Due Date: October 20, 2021 @ 2:00 PM AST

**The following changes are required:**

1. The RFP due date is extended from September 28, 2021, to October 20, 2021 @ 2:00 PM AST.

**The following are questions from interested parties and the department's responses:**

1. **Vendor:** I wanted to bring to your attention that another sizeable project (the clinic and associated housing) was proposed on a week ago but is unlikely proposers will hear on its award for another couple of weeks. That project has come coordinating items with this project (tying into the new WTP line for example) and it would be quite helpful to have this project delayed a few weeks to see who gets selected for that project as the mobilization efforts could be leveraged.

**Department:** The department has extended the RFP due date.

2. **Vendor:** Would like to ask for a bid date extension for this project as the proposal documents were not available until 9/9/2021 which leaves the Contractors minimal time to provide a "Competent Competitive" proposal.

**Department:** See Department's response above.

3. **Vendor:** Will you please provide a copy of the Plan Holders list as soon as possible?

**Department:** See attached Plan Holders list. A vendor can contact the procurement officer for an updated list at any time.

4. **Vendor:** The table of contents in the technical specifications have 4 items in the Appendix listed. Only the first two (Appendix A Environmental Assessment and Appendix B Hazardous Materials Survey) are included. Can you provide a link to the Appendix C (Geotech) and Appendix D (Permits)?

**Department:** RFP Division 01- Specifications, the following documents have been added. Please email the procurement officer to request the documents. Due to the file size the documents will be sent to the requestor via [Zend To](#)

- Appendix C-Geotechnical Findings December 2017
- Appendix D- Permits

**Bidders must acknowledge this amendment on their proposal. A bid that doesn't acknowledge this amendment may be found non-responsive and rejected.**
