Remove and Replace:

On page four of the IRFP, Section 1.04, Remove “1. The company providing the training must have a minimum of two years background and demonstrated experience in delivering online/remote training similar to the proposed course to government environmental professionals”.

Replace with “1. The company providing the training must have a minimum of two years background in Alaska cultural training. In addition, the company providing the training must have demonstrated experience in delivering online/remote training similar to the proposed course to government environmental professionals”.

Questions and Answers

Question 1: Is this a new contract or a rebid from an existing contract?

Answer 1: This IRFP will generate a new contract and is not a rebid for an existing contract.

Question 2: If this is a rebid, can you make available the previous winning submission for review?

Answer 2: See the answer for question 1.

Question 3: The RFP says that two years of online cultural awareness training is Required. However, in-person training was more standard prior to covid and are firms that don't have the two-years on online training going to be disqualified or is there any flexibility in that requirement.

Answer 3: See Remove and Replace.

Offerors must acknowledge receipt of this addendum prior to the submittal deadline.

The proposal documents require acknowledgment individually of all addenda to the drawings and/or specifications. This is a **mandatory requirement** and any proposal received without acknowledgment of receipt of addenda may be classified as not being a responsive proposal.
