

Request for Information

State of Alaska
Department of Revenue
Alaska Permanent Fund Corporation

Date Issued: October 20, 2021

GEOGRAPHICALLY DIVERSE INTERNET SERVICE PEER

Introduction:

The Alaska Permanent Fund Corporation (APFC) needs a geographically diverse Internet service peer to allow multihomed IPv4 and IPv6 advertisements for APFC netblocks.

Background Information:

Service providers should meet all of the following criteria:

- Service must be geographically diverse, between the APFC Point of Presence (PoP) at "801 W. 10TH ST., Juneau, Alaska 99801" to outside Alaska, from the current State of Alaska Core Telecommunications Data Network provider, Alaska Communication Systems (ACS)
- Service must provide BGP peering for APFC anonymous system numbers as well as multihomed IPv4 and IPv6 netblocks
- Service should have fiberoptic connectivity to APFC Point of Presence
- Service needs to be 1 gigabit synchronous

Response Information:

Service Providers should email a response to the procurement contact listed below by November 1, 2021, detailing that they are able to meet the above criteria, and would be interested in participating in a solicitation to win a contract for these services.

Eric Verrelli (everrelli@apfc.org)

Procurement Officer contact information:

Interested parties must submit an emailed response by November 1, 2021, by 4:30 p.m. ADT. Responses may be sent by E-mail to the addresses listed below.

All questions must be directed to the person listed below writing via email.

Department of Revenue, Alaska Permanent Fund Corporation
