Changes to the ITB Bid Schedule

ORIGINAL: The bid schedule on LOT 75, Lines 1 and 2 have a calculation error for the total. It appears that the total box was linked to an incorrect cell.

CHANGES MADE: The calculation error has been corrected, and a new version of the Bid Schedule is available for use if needed on the Online Public Notice for this ITB, labeled **Bid Schedule (Land) – Amendment #5**.

NOTE TO BIDDERS: Disregard this amendment if you are not bidding on Lot 75, Line 1 or 2. Any bidders who have sent in their bids will have their lot and line items checked after bids close. If there are errors, the bidders will be notified, and calculations will be corrected for their proposed bids due to no fault of their own. All other line and lot items have been checked for calculation accuracy, and should now be correct.
