Anchorage, Alaska 99518

Subject: **Crowley Fuels LLC Fort Yukon Bulk Fuel Storage Facility Oil Discharge Prevention and Contingency Plan, ADEC Plan #: 21-CP-5193; Public Notice and Plan Distribution Instructions**

Dear Mr. Joseph Kareta:

The Alaska Department of Environmental Conservation (department) determined the plan renewal application package for the Crowley Fuels LLC Fort Yukon Bulk Fuel Storage Oil Discharge Prevention and Contingency Plan sufficient for review on December 1, 2021. The application package will be reviewed in accordance with the procedures outlined in 18 AAC 75.455. Additional information may be requested, based on the department's technical review and comments received during the public comment period. The review schedule is designated as follows:

Start of public comment period (Day One): December 14, 2021

End of public comment period (Day 30); public comments and requests for additional information due by 11:59 pm: January 12, 2022

A single public notice of this application must be published as required by 18 AAC 75.455(b)(5) and appear in the following newspaper(s) on or before Day One: Fairbanks Daily News-Miner. Please review the enclosed notice for accuracy and contact me if any changes are necessary. Crowley Fuels LLC is responsible for arranging and paying for the publication. Proof of publication must be provided to the department in the form of the original affidavit from the newspaper by Day 30. Failure to have the public notice published on or before Day One will require the issuance and publication of a new public notice with changes to the comment period as needed.

Crowley Fuels LLC is responsible for providing copies of the application package to the reviewers identified in the enclosed distribution list before Day One to ensure they have sufficient time to review and comment on the application package. Proof of distribution must be provided to the department. The plan will also be available at the department's website (<http://dec.alaska.gov/Applications/SPAR/PublicMVC/IPPCPlansUnderReview>) for public review starting on Day One.

If you have any questions, please contact me at 907-451-2126 or [nicole.farnham@alaska.gov](mailto:nicole.farnham@alaska.gov).

Sincerely,

Nicole Farnham  
Environmental Program Specialist III
