Re: Marijuana Control Board regulations
re: employee badges (3 AAC
306.710(c); 3 AAC 306.715(a))

The Department of Law has reviewed the attached regulations of the Marijuana Control Board against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Marijuana Control Board after the close of the public comment period. As a safety measure to prevent, for example, employee badges on lanyards from catching on machinery, the regulations allow employees to keep badges on the person or in a readily accessible location on the licensed premises.

The August 26, 2021 public notice and the November 4, 2021 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.
