Please note that email transmission is not instantaneous. Similar to sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bid.

IMPORTANT NOTE: There are no overnight express mail or courier delivery services to Anchorage, Alaska. All expedited mail or courier services take at least 2 nights. This is true for other courier vendors as well such as Federal Express.

It is the bidder's responsibility to contact the issuing agency at 907-465-8949 to confirm the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

The State of Alaska provides one Request for Proposal (RFP). Additional RFPs may be purchased for the cost of reproduction, \$.25 per page.

An offeror's failure to submit its proposal prior to the deadline will cause the proposal to be disqualified. Late proposals or amendments will not be opened or accepted for evaluation.
