REQUESTED ACTIVITY: The Department of Natural Resources (DNR), Division of Mining, Land, and Water (DMLW), has received an application for an easement from the Alaska Industrial Development and Export Authority (AIDEA; the applicant) for portions of Ambler Road on state-owned, DMLW-managed lands. The Ambler Road will be a private industrial access road intended to facilitate mine development and transportation of ore as part of the Ambler Access Project (AAP), extending 211 miles from milepost 161 of the Dalton Highway west to the Ambler Mining District. The road alignment crosses lands owned and/or managed by federal, state, municipal, and private entities. The application requests a 450 ft wide private exclusive easement over approximately 125 miles of the road alignment on DMLW managed lands. This width is intended to accommodate the width of the road, construction activities, minor changes in alignment to adapt to conditions on the ground, and the footprint and construction of support infrastructure.

Additional details on the requested activity can be found in the Summary of Application and the application available at <https://dnr.alaska.gov/mlw/ambler-road/>.

REQUESTED TERM: 50 years

DEADLINE FOR COMMENTS: March 2, 2022

The public is invited to comment on this proposed activity. The purpose of this notice is to gather input before a decision is made on this activity. To ensure consideration, written comments must be received by the Division of Mining, Land and Water at <https://dnr.alaska.gov/mlw/ambler-road/>, or by letter to 3700 Airport Way, Fairbanks, AK 99709 on or before 5:00 p.m. on the date noted above. Questions concerning this application should be directed to Adam Leland at adam.leland@alaska.gov.

After review and adjudication, we may issue an authorization with stipulations for the activity. The activity may be modified during the review and adjudication process.

DNR-DMLW complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services or special modifications to comment should contact Alaska Relay at 711 or 800-770-8973 for TTY services.

The DMLW reserves the right to waive technical defects in this notice.
