

Amendment #3 - Issued February 23, 2022
RFQ 0622-064 - DPH - Alaska Death Certificate Training

Response to Questions Received

Question/ Answer#	Section Reference and/or Page Number	Questions Received / Responses Provided
Q1		In your response to Question 4, Amendment 2, the State provided a number of approximately 30 funeral homes. Is funeral home training considered part of the scope for this project?
A1		Funeral Homes are not considered as the target audience for this training. The State would like the flexibility to extend this training to those within funeral homes; however, the main audience needing outreach and training are for those who are death certifiers.
